

Week 2 – Year 7

Task 1

Research three jobs that you would be interested in doing when you are older.

Fill in the table below based on what you have found.

Job Role	Salary/wage	Positives of this role	Negatives of this role	Anything you didn't know about the role after your research

Task 2

Is there any job that you think you would really like after filling in your tables? Which role?

Why do you think this?

What would you need to do to work towards this job role for the next few years in school?
