

THE WESTLEIGH SCHOOL
Aspiring & Achieving Together

HEADTEACHER: MR CARLTON BRAMWELL *BEd (Hons), MSc, NPQH*

March 2022

Dear Parent/Carer

As part of a wider initiative to promote Active Living and Environmental awareness in school we have recently joined in partnership with Wigan Council and Gearing Up to deliver some exciting new developments for our students,

This includes securing funding towards a new secure cycle storage shelter on site and free equipment to support our cycle maintenance club, which takes place after school every Monday.

In addition to this, we are excited to announce a workshop (see overleaf) which will take place in school next Monday, 21st March 2022. This session is for our students and our staff but is also open to the wider community. So if you cycle and would like your bike checked or repaired, we'd love to see you – I believe there may also be freebies to be had for those who bring a bike along!

Please could I ask that you complete the slip below as permission for your child to attend and for Gearing Up to undertake checks and repairs on their bike.

We hope to see you and your child at Monday's session to help get you all set for your Spring and Summer bike rides.

Yours faithfully

Mrs G Reiersen
Operations Manager

Dr Bike Session – FAO Mrs Reiersen
