

ARBOR INSTRUCTIONS FOR PARENTS

Log into the Parent Portal and the Parent App

The Parent Portal and Parent App let parents register their child for a club or trip, book parents evening slots, and manage payments all from their phone or computer. Parents can also check in on their child's attendance, behaviour and progress.

Arbor is only for parents at schools using the Arbor Management Information System (MIS), who have enabled the Parent Portal. If you're not sure whether this applies to you, we recommend contacting your school's office.

If you are having difficulty using Arbor, please contact your school. Please do not contact Arbor directly.

What is the Parent Portal?

The Parent Portal is our version of Arbor accessible to guardians on a laptop or computer.

What is the Parent App?

The Parent App is the mobile version of our Parent Portal, for use on mobile devices such as smartphones and tablets. If your school has switched on the Parent Portal, you can download the App and begin using it straight away.

How do I get started with the Parent App?

Downloading the Parent App

Android

Go to your Play store and search for 'Arbor'. Click the top option.

Click **Install** to download the Parent App. Once it has installed, click **Open**.

IOS

Go to your App Store and search 'Arbor'. Click the top option. Click **Get** to download the Parent App.

Enabling push notifications

Android

You can turn Push Notifications on or off at any time by going to your **Settings** on your phone. For example, on a Samsung Galaxy S8, go to **Settings > Apps > Arbor > Notifications**.

Tap the slider to turn Push Notifications on and manage your settings.

Enabling push notifications

IOS

When you download the Parent App, you will receive a prompt to receive notifications from Arbor. Make sure you select **Allow** to enable your school to send you push notifications. This will ensure you receive a notification when you have a new In-app message.

If you select **Don't Allow**, you can turn Push Notifications back on at any time by going to your **Settings** on your phone. For example, on an iPhone SE, go to **Settings > Arbor > Notifications**.

Tap the slider to turn push notifications on and manage your settings. We recommend setting your banner style to Permanent, so it doesn't disappear.

Logging in

Before you log in for the first time, please wait until your school has enabled the Parent Portal. You will not be able to log in until they have.

When your school enables Parent Portal and the Parent App, they will send you a welcome email to set your password. You won't be able to do this through the app, as the links in our reset password emails only work with a browser. Please follow the **Logging in for the first time** instructions in the **Logging in on the Parent Portal** section below.
