Dear Parent / Carer,

I am writing to provide some further clarification for parents/carers in relation to periods of self-isolation due to Covid-19, using the latest guidance for schools from Wigan Public Health and the Department for Education.

Wigan Public Health have queried with the DfE Helpline whether children could attend school on Day 7, following a second negative LFD test, and although there isn't specific guidance for this instance, the general guidance from the DfE Helpline is that individuals are able to cease self-isolation immediately following the second negative test on Day 7.

Yours sincerely,

C Bramwell
