

**THE WESTLEIGH SCHOOL**  
Aspiring & Achieving Together

March 2026

Dear Parent/Carer

Your child's attendance over the next few weeks in the run up to exams is paramount. There is **minimal learning time** left so your child needs to be making the most and engaging to the best of their ability. We encourage your child to complete independent revision at home. This is best in small manageable chunks of 20 minutes. Teachers will be providing support materials for revision whether this be online videos, showbie or paper based work.

In addition to weekly intervention we are also offering Easter revision session. These sessions rely on teaching staff giving up their holidays to provide the best possible chance of success for your child so attendance is expected. The timetable is below;
