Aspiring & Achieving Together

**RE: Essential Student Equipment – After Half Term**

I hope this letter finds you well. As we look ahead to the final half term, I would like to take this opportunity to remind all parents and carers of the importance of students arriving at school fully equipped for learning each day.

Having the correct equipment is essential to ensure students can participate fully in lessons and make the most of their learning opportunities. From the first day back after half term, we will be placing a renewed emphasis on students being properly prepared for school. This is part of our ongoing commitment to raising standards and supporting all students to succeed.

We ask that every student brings the following **essential items** to school each day:

- Fully charged iPad (charging is available on site)
- iPad Pen
- A Pencil case
- Black and Green pen
- Pencil
- Ruler
- Rubber

Having this equipment allows teachers to maximise learning time and minimises disruption in the classroom.

Form tutors will be checking equipment daily, and students who do not have the required items may be issued with appropriate reminders or follow-up actions. If you are experiencing any difficulties in sourcing equipment, please do not hesitate to contact your child's form tutor who are happy to support where needed.

Thank you for your continued support in helping us maintain high standards and an excellent learning environment for all students.

Yours sincerely,

**Chris Gee**  
**Deputy Headteacher**
