Dear Parent / Carer,

### **Face coverings in corridors and communal areas**

As you will be aware, the Prime Minister recently announced plans to end some Covid-19 safety measures, including a phased removal of face coverings. It was also decided however that schools should take their direction from their Local Authority Public Health department, as they were best placed to advise on local safety need.

As a result of the information provided in the accompanying letter from Professor Kate Arden, Director of Public Health for Wigan, **we are requesting that students continue to wear masks in corridors and communal areas** until further notice.

Our sole aim is to ensure the safety of students, staff and the wider community, and we request that you ensure your child comes to school with a mask each day (unless exempt).

As always, we appreciate your continued support.

Yours Sincerely,

**Carlton Bramwell**  
Headteacher
