We want to see every student at Prom and, at this stage, all Y11 students are invited. However, this is to be a celebration of effort and attitude. We have expectations which students must make every effort to meet to maintain their eligibility:

- Attendance of 94% or above with no truancy
- Good attitude to learning in class, intervention and in homework
- Good punctuality to school and lessons.
- Good behaviour in line with our school principles of being Ready, Respectful and Safe (RRS)

The school reserves the right to withdraw student invitations to Prom with **no refund** if students have knowingly failed to maintain the standards above.

We look forward to a fabulous evening with our incredible students of whom we are so incredibly proud. We hope that everyone can join us to celebrate.

Yours sincerely,

Mrs Watling
