VISIT TO RESTAURANT

SITUATION	POTENTIAL PROBLEM	CONTROL MEASURES
Food allergy	Allergic reaction, sickness. Severe reaction eg to nuts	Identify candidates in advance & check severity of problem with parents and pupil. Advise tour operator so restaurant can be advised in advance. Arrange other food if required. Monitor situation throughout meal
Pupils leaving building	Getting lost, accident in car/coach park	Tell pupils to stay in building. Escort to and from coach
Religious diet requirements, eg Halal, Ramadan	Hunger (tiredness, carelessness), upset children or parents	Identify candidates in advance. Arrange other food if required. Monitor situation throughout meal or day.
Poor pupil behaviour, including WC visits, messing with food, rudeness and noise, poor table manners	Upsetting other diners and your own party members. Failing to make the meal a happy and relaxing time for all	Remind or teach pupils beforehand about expectations in restaurants and basic table manners. Set rules about going to WC and not leaving table during meal. Staff should sit among pupils and set a good example. High and friendly adult supervision.
