HAZARD	RISK/problem	PROBABILITY			LEVEL OF RISK 1 low, 5 high	RISK REDUCTION
		Low	med	high		
On the dock	Risk of falling into water, misbehaviour	X			3	Identify likely candidates. Tell pupils to stay away from edge. No unsupervised waiting to embark.
On deck	Annoying other passengers by talking, eating, inattention	X			1	Staff to supervise and enthuse pupils, encourage them to listen to commentary
Stairways and corridors	Steep steps, possibly wet	x			2	Pupils to sit still unless very good reason. No running. Staffed meeting point
On deck	Steps, slipping, climbing railings. Sunburn	X			2	Staff to supervise. No running. Sun tan lotion, hats.
Emergency	Lack of knowledge. Panic	X			3	All listen to safety announcements. Meeting point throughout voyage
Buying alcohol at bar	Alcohol poisoning/silly behaviour/dehydration/sickness	X			3	Best not to notify pupils that alcohol on board (should be covered by general prohibitions). Staff to keep an eye on bar, tell bartender if necessary not to sell alcohol to pupils.
