15<sup>th</sup> January 2026

Dear Parent/Carer

**Ski Trip to Val Cenis (France)**

I am pleased to announce plans for a school ski trip scheduled to take place from **2 January 2027 to 9 January 2027**. This trip will provide an exciting and enriching opportunity for our students to experience skiing while developing independence, teamwork, and confidence in a safe and supportive environment.

We will be travelling to the **Val Cenis ski resort**, [Ski resort and ski area of Val-Cenis in Maurienne](#) located in the Haute-Maurienne valley of the French Alps, close to the Italian border. Val Cenis is a charming and authentic mountain resort, well known for its family-friendly skiing, traditional Alpine villages (including Lanslebourg, Lanslevillard, and Termignon), and rich cultural heritage. In addition to excellent ski facilities, the area offers a welcoming atmosphere and a strong focus on safety and accessibility for young skiers. Our accommodation is a spacious and well-equipped hotel, ideally suited to school groups. It offers a range of communal facilities, including a lounge, library, meeting rooms, a disco room, and classroom spaces. The hotel is located approximately a 10-minute walk from the centre of Lanslebourg and is just 200 metres from the ski school meeting point. Students will also be able to ski back to the accommodation via a green cat track.

The hotel is part of an eco-friendly holiday village and can accommodate up to 350 guests. Most student rooms have shared facilities, which is typical of group accommodation and encourages social interaction. The trip will be on a **full-board basis**, including breakfast, lunch, and a three-course evening meal each day.

We have negotiated a fantastic deal as a school group and the cost for the week is **£1205**

- Insurance is provided through the Trusts School trip policy, (details will be sent to all parents so if they wish to buy more extensive cover they can)

I understand that this is a considerable sum of money to pay out, and I have therefore arranged for school to administer a Payment plan. This will be confirmed in writing once your child has secured a place.

**Failure to maintain payments in line with the payment plan will jeopardise your child's place on the trip. It is very important that you are aware of the following:**

If for **any reason you are no longer able to support your child's place on the trip all monies paid could be forfeited**. The trip may be over-subscribed, and we will endeavor to re-sell the place, but we offer no guarantees. **Any monies would only be returned at the conclusion of the trip on the basis that the school could re-sell the vacant place with a full paying replacement.**

Please be aware that payment deadlines must be met. Your child will receive a receipt and a payment card. Please note that students will require a valid Passport and Global Health insurance card (**available free of charge**) for this trip.

I will write to all Parents/Carers of students involved in due course to inform you of who is taking part and the staff supervising. I will also include in that letter advice about clothing and preparation, documentary information and the information about the parents' evening we will be holding nearer the time. On the parents' evening I will be inviting a ski clothing company who have many years experience in cost effective school ski weeks, to come along and give advice about clothing and other equipment that may be desirable for your son/daughter.

This is a fantastic opportunity for pupils to experience breath-taking scenery and the cultural charm of a fantastic ski village. There are further benefits to a residential outward-bound trip such as; coping with being away from parents for an extended duration; the cultural experience that a foreign country offers and the obvious benefits for social development.

The school reserves the right to withdraw a student's place if they deviate seriously from the positive structure our behaviour policy provides. In this case, monies will only be returned if a full paying replacement is secured.

**If you would like to register your child's interest, please do so using the MS Form link below, or scan the QR code.**

We will review the interest in this trip, and a governor is attending school to draw the successful names out of a hat to ensure a fair process. We will then let you know whether we can offer your child a place by **Wednesday 21<sup>st</sup> January 2026** and at that stage we will require a **£100 deposit** to be paid via Parent Pay by **Tuesday 27th January 2026**.

In the meantime, if you have any questions please feel free to contact me at school and I will hopefully be able to provide you with the answers.

**(Please note: Where the student has committed to a trip, and the school has entered into a financial agreement with an external supplier for such a trip, the school cannot refund monies which those suppliers will not refund, the school is acting as an agent in buying the trip for the students)**

Yours faithfully
