

THE WESTLEIGH SCHOOL
Aspiring & Achieving Together

9th March 2023

Dear Parent/Carer

Due to the adverse weather conditions, I have taken the decision to change tonight's Year 10 Parents' Evening to an online event rather than taking place in school. This will allow you to still discuss your child's progress with their teachers without the need to come to school given the current weather warning level in the area.

The appointments will take place on www.westleigh.schoolcloud.co.uk and an email reminder will be sent to your inbox before the start of the evening.

Please be aware that should the weather deteriorate further, then I may need to make the decision to cancel the evening to allow staff to travel home safely. This decision will be made and communicated to students and parents by the end of the school day.

Many thanks for your understanding.

Yours sincerely,

Paul Lamoury
Headteacher
