

THE WESTLEIGH SCHOOL

Aspiring & Achieving Together

HEADTEACHER: MR CARLTON BRAMWELL *BEd (Hons), MSc, NPQH*

Dear Parent/Carer

I wrote to you last week about the latest DFE Schools Guidance which stated that from Monday 7th June, “Schools should make appropriate judgements on the activities for their own pupils. This might not mean full-time provision and could include visits to education providers, independent study or remote provision combined with attendance in person”.

Contained in this letter is the offer of combined on site and home learning that will take place from Monday 7th June to Friday 18th June for our Year 11 students.

Our students have worked hard to complete their assessments across the majority of their subjects but there will be some assessments still being sat after half term for some students. Can I please reiterate that **all year 11 parents/carers MUST ensure that every year 11 learner is available to attend school between Monday 7th June and Friday 18th June.**

Year 11 timetable - Monday 7th June to Friday 18th June

	A BAND				
	Monday	Tuesday	Wednesday	Thursday	Friday
Lesson 1 08:45 - 09:45	Home learning	Home learning	Opton A - Art, Photography and Engineering school sessions. Home learning	Home learning	Home learning

Lesson 5 13:45 - 14:45	Home learning	Opton A - Art, Photography and Engineering school sessions. Home learning	Home learning	Humanities	PE

Subject	Session content
Maths	Most students will complete the Barclays or Natwest financial planning course. Students who are studying A level maths will complete taster sessions.
English	Students will complete sessions on writing a CV and cover letter as well as interview techniques.
Science	A band – Science knowledge booster. B band – Bronze Crest Award.
Triple Science	Working towards A level Sciences.
History	An introduction to ‘Rights and Denial in the World – Modern Conflict Post 16’
Geography	A band – Prisoner of Geography – Introduction to Geopolitics. B band – Prisoner of Geography – 10 maps that tell you everything you need to know about world power.
French	An introduction to A level French.
Drama	A level/BTEC Level 3 monologue - exploring content, aims and purpose.
Art	Attend all normal Art lessons, working on exhibition materials.
Photography	Attend all normal Photography lessons, working on exhibition materials.
Music	Develop performance skills sessions.
PE	Softball and rounders alongside emerging sports.
Dance	Opportunities to take part in Dance leadership.
Sports studies	Emerging sports (Practical) .
Health and Social Care	First aid skills.
Catering and Hospitality	Practical cooking skills for life.
Engineering	Attend all normal Engineering lessons, working on exhibition materials.

In school sessions

Students should arrive 5 minutes before the start of their lesson and enter through the canteen gate where they will sign into school.

Students that are entitled to free school meals will be able to get a grab bag before they leave site. Students should indicate on the signing in sheet if they intend to pick up a school meal.

Students will leave site at the end of their sessions.

Home learning

Students will access their home learning through the year 11 google classroom.

Posted in the classroom will be links to the bridging units that have been uploaded to college websites. These units are aimed at supporting students to prepare for their studies and it will be beneficial for your child to complete these before they start their course in September.

Each day students will be expected to complete a short reflection task set by their form tutor about the bridging units they complete that day.

Exam results

As you are aware school are not allowed to share the Teacher Assessed Grades with students. Students will be able to access school on Thursday 12th August to pick up their grades. Details on the arrangements of results day will be sent out closer to the time and posted on our website and social media.

Kind regards,

Mr P Lamoury
Deputy Headteacher
