Aspiring & Achieving Together

**HEADTEACHER: MR CARLTON BRAMWELL** *BEd (Hons), MSc, NPQH*

3 May 2021

Dear Parents / Carers of Year 8 Students,

I am writing to you today to inform you that due to staff shortage we have taken the difficult decision to ask all Year 8 students to work from home for the next week from Tuesday 4<sup>th</sup> May to Friday 7<sup>th</sup> May, returning to school as normal on Monday 10<sup>th</sup> May. I can confirm that this is not due to high COVID cases amongst the school community, so please don't be alarmed, but I would like to take this opportunity to remind you that we need to remain vigilant, both in school and in the wider community. If you have a child who is not in Year 8, they will need to attend school as normal. I know that asking Year 8 students to learn from home for the next week may significantly inconvenience you; please rest assured that we have not taken this decision lightly and there are many factors that we have had to consider when making the difficult decision about which year group needs to be asked to work from home.

All learning for year 8 will take place through Google Classrooms using the table outlined on the following page.

It is extremely important that your child completes this work so that they do not have gaps in their learning. We want them to remain on track in all subjects and appreciate your support with this. If your child is eligible for free school meals, your child can come and collect each day from the staff room window, accessed from the main car park.

If you have any questions or queries, please send these via email to [enquiries@westleigh.wigan.sch.uk](mailto:enquiries@westleigh.wigan.sch.uk) or call the school on 01942 202580 during school opening hours, but please be aware our phone lines may be busy. We greatly value your support and the way you have helped your child when they have had to work at home. Once again, thank you for this.

Yours faithfully,

Carlton Bramwell  
**Headteacher**

## Year 8 Online Learning Timetable

Lessons will take place on Google Classrooms. If the subject is in **red**, a live lesson will be taking place using the Google Meet link at the top of the class. If the lesson is not red then work has been uploaded to google classroom.
