

Special Educational Needs and Disability Information Report

Special Educational Needs and Disability (SEND). A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

A child of compulsory school age or a young person has a learning difficulty or disability if he or she:

- has a significantly greater difficulty in learning than the majority of others of the same age or;
- has disability which prevents or hinders him or her from making use of educational facilities
 of a kind generally provided for others of the same age in mainstream schools or mainstream
 post-16 institutions

1. How will we know if your child needs extra support?

- Information will be gathered from feeder primary schools using a person centred plan document capturing all strengths and difficulties and relevant areas of need.
- Transition meetings with primary schools will follow on, adding more detail and a comprehensive overview for each individual child.
- Students identified as requiring additional support will be invited to additional transition sessions where we can meet and informally assess provision needed.
- All students will attend at least on transition day to meet staff this will be followed with a transition evening and the opportunity for parents to meet with key staff. We will devise draft pupil passports and support plans at this point.
- Baseline assessments upon arrival and regular monitoring and assessment highlights areas in which young people need additional intervention for support with learning.
- Referrals or concerns received from staff are explored and investigated and appropriate support is put in place where necessary.
- Our open door policy invites parents and carers to contact school with any concerns which can be discussed and investigated – SEND review weeks and drop in evenings are held termly with the SENDCo and the SEND team.
- Students themselves can self refer if they feel they need support.

2. What we ask you to do if you feel that your child has a special educational need?

 Contact school and ask to speak or meet with the SENDCo (Mrs G Ashton) to outline your concerns. These concerns will be fully investigated and relevant support put in place where appropriate.

3. How will school staff support your child?

 In the first instance most children can be successfully supported through quality first teaching and suitable differentiation within the classroom.

- Where additional support is required assessments will be completed and a plan will be put into place which could include:
 - ✓ In class support
 - ✓ Small group/1-1 literacy or numeracy intervention
 - ✓ Small group/1-1 support to help students with social, emotional and mental health
 difficulties
 - √ 1-1 support for behavioural coaching and mentoring.
 - ✓ Small group 1-1 support for developing social, communication and interaction skills.
 - ✓ Small group/1-1 support for improving fine motor skills and handwriting.
 - ✓ Small group speech and language/social skills intervention.
 - ✓ Access to specialist literacy/numeracy packages.

(Where intervention packages are put in place, this will inevitably mean short or long term withdrawal from mainstream classes. We will review our timetable termly to continue to allow for a broad, balanced and ambitious curriculum for all)

- This plan will be communicated to you by the SENDCo/Inclusion and Learning Support Coordinators who will also monitor the effectiveness of the interventions.
- Interventions will be monitored and reviewed on a termly basis using a whole range of data and information pertinent to each individual child and their progress.
- The school's academy council has an overview of young people with SEND and the provision available to them.

4. How is our curriculum matched to your child's needs?

- In most cases all children will follow the same curriculum, however this will be differentiated
 according to need and ability ensuring that all learning is accessible and that all students
 can experience a sense of achievement.
- Classes are set according to ability in each year group we have a nurture class for those students experiencing significant learning difficulties. Nurture classes are kept smaller in number than other classes to allow for more individual teacher input and will always have a TA present. The curriculum remains ambitious but teaching and learning is adapted to enable all learners to make best progress.
- If appropriate at Key Stage 4 a vocational route or alternative placement may be arranged to ensure that all young people can engage actively in their education and follow an educational route suitable to their individual needs and aspirations.
- 5. How will we know how your child is progressing? How will we communicate this to you? How will we support you in supporting your child?
 - a) In addition to the normal reporting arrangements what opportunities will there be for you to discuss your child's progress with staff?

- Open door policy You can contact school at any time to request to speak to a member of the SEND team and at our earliest availability we will arrange a meeting or telephone conversation.
- There will be SEND review weeks throughout the year to offer parents the opportunity to meet with us and share good practice, review important information shared with staff and raise any concerns you may have. These dates are available on our school calendar.
- SEND staff will be available for additional meetings on review evenings and parent's evenings.
- SEND drop in evenings will run throughout the year to complement parent's evenings and allow increased opportunities for parents to discuss their child's support needs and progress.
- SEND staff, where appropriate, will be in attendance at Early Help Meetings.
- Annual Review of Education, Health and Care plans.

b) How does the school know how well your child/young person is doing?

 We have in place a rigorous assessment and monitoring schedule, that includes review of students' work, review of assessment data, lesson drop in and formal observation regular discussion of student progress at faculty and year team meetings. We hold regular progress meetings throughout the year to discuss and evaluate student progress.

c) How will you know what progress your child should be making?

- Our termly reporting system
- · Parents' evenings and review evening

d) How will we explain to you how your child's learning is planned so that you can support this outside of school?

- Curriculum intent documents and long term plans are on our school website.
- Parents' Evenings offer an ideal opportunity to discuss learning in specific subject areas with subject specialists who can offer advice.
- Through the annual review process and as an on going professional dialogue, staff will
 provide information on the strategies employed within the classroom which can be
 discussed and reinforced at home.

e) How and when will you be involved in planning your child's education?

- When your child is identified as having a Special Educational Needs all provision planned will include discussion with you to be sure all parties understand and agree that the support is suitable.
- Parental views are regarded as vital to the planning process and these will be sought in a number of ways throughout the school year including the Parent View Survey, Parent's Evening discussions and our regular PTA meetings which are held half termly.

6. What support will there be for your child?

a) What is the pastoral, medical and social support available for children with SEND?

- In addition to the extensive whole school pastoral support package young people with SEND could receive additional personalised support including: nurture class support, access to learning support and intervention through our Inclusion Centre or Orchard Provision; access to the Inclusion Centre before and after school and at break times and lunchtimes.
- Through our Inclusion Centre we offer a wide range of interventions to help students with social, mental and emotional health difficulties tailored to individual need and circumstance.
- We employ a pastoral support mentor to support students with emerging mental health difficulties and work with the Mental Health in Schools Team to ensure early identification of need, intervention and signposting.

b) How do we manage the administration of medicines and providing personal care?

- Where young people are identified as having physical or medical needs requiring medication to be administered in school a Health Care Plan will be completed and necessary arrangements implemented, fully supported by the SEND team and medical professionals where appropriate.
- Our medical officer is Mrs Claire Simms.

c) How do we support children during unsupervised time?

- At breaktimes and lunchtimes the Senior Leadership Team and members of teaching and support staff supervise activity all across the school site.
- Students with SEND are invited to spend their break times and lunchtimes in the Inclusion Centre which is fully staffed and a range of activities are on offer.
- There are a number of extra curricular clubs with all students welcome to attend. These
 are widely promoted and timetables available in your child's form room.

d) How does school manage transitions between different activities during the day?

- We insist on a very orderly and prompt transition between lessons throughout the day and there is a high staff presence to ensure this ethos is upheld.
- Students in nurture group can be escorted to and from lessons should this be appropriate with some moving between lessons before the wider school population where need arises.
- Visual timetables are available to support the transition between lessons and enable students with SEND to prepare their day and transitions in advance.
- e) What support is there for behaviour, avoiding exclusions and increasing attendance? How will your child be able to contribute his/her views?

- Through our Inclusion Centre we offer a wide range of interventions to help students with social, mental and emotional health difficulties tailored to individual need and circumstance.
- We have a full and comprehensive behaviour policy with the emphasis on rewarding achievement and positive contributions to school.
- We employ a restorative approach to dealing with behavioural issues.
- We have an internal exclusion room to avoid external exclusions and ensure that education is not interrupted due to poor behaviour wherever possible.
- Parental contact is a high priority when any incidents of poor behaviour occur in order for issues to be remedied and a consistent approach to be adopted.
- We employ non-teaching pastoral and welfare staff and an attendance officer to support students and parents in maintaining excellent attendance to school and breaking down any barriers which may impede this.
- Our attendance policy is inclusive of rewards for excellent attendance and punctuality. This is celebrated in year group assemblies and publicised whole school.
- When problems with behaviour and attendance are persistent we engage with external agencies to offer increased and personalised packages of support including Early Help.
- Young people's views are taken into account at every stage of their education, through pupil voice, contributions to meetings about their progress and achievement and involvement in interview processes.
- Bespoke and personalised packages of support will be designed and delivered by SEND and pastoral staff utilising evidence based intervention and approaches to support our young people to develop their develop their intrinsic motivation and achieve their aspirations.

f) How will we use the expert knowledge you have about your children?

 At all relevant points in your child's education your views and advice will be sought in order to help us fully understand their needs, strengths and difficulties.

7. What specialist services and expertise are available at or accessed by the school?

- Staff in our SEND department access a wide range of specialist training and CPD in order to ensure that the needs of children can be met.
- We engage support for a wide range of services including: mental health teams, counselling services, sexual health teams, Targeted Education Support Services, Educational Psychology Service, drug and alcohol teams, community support services and voluntary organisations, Startwell and Social Care and medical professionals.
- Where any specific needs arise we ensure that the most appropriate experts are engaged to work with us and our young people and their families to offer the best possible and most timely support.

8. What training are the staff supporting children and young people with SEND in receipt of.

- Literacy: We have staff trained in multi sensory phonics programmes including Soundswrite,
 Talking Partners, Delivering Toe by Toe and Word Wasp, Dyslexia Awareness and Learner
 Friendly classrooms. We also invest in IDL, alongside a whole school drive to develop
 reading skills using Sparx Reader. SEND staff have also completed an Open University
 Course 'Understanding Dyslexia'
- Numeracy: We have staff trained in Maths Recovery, delivering Plus 1 and Power of 2. We also invest in online programmes such as IDL numeracy and Times Table Rockstars.
- Social, emotional and mental health support: support staff have received training in
 restorative approaches to behaviour management, coaching and mentoring of individual
 students. Further to this, our support staff have attended a range of training provided by the
 local authority to support young people who need nurture, anger management etc. TAs have
 also received training on use of Social stories and comic strip stories via our local
 Educational Psychology service, engaged in an Open University course 'Understanding
 Autism' and completed training in Zones of regulation via our local targeted Education
 Support Service. Our leadership team, SEND leaders and pastoral staff are trained in
 Motivational Interviewing.
- Teaching Staff have attended INSET training delivered by SENDCo on: differentiation, dyslexia awareness and Learner Friendly Classrooms and Best Use of Teaching Assistants in the Classroom. Regular and bespoke CPD is offered to staff with supporting our SEND students in the classroom.

9. How will your child/young person be included in activities outside the classroom, including school trips?

- The school provides a wide range of educational and extra curricular activities taking account of varying capabilities and interests. This is now embedded within our daily timetable to ensure that all students have access to a wide and varied enriching offer.
- Teaching assistants and SEND staff attend school trips and events enabling all students to be involved.
- Parental advice and expertise will always be sought where necessary as part of Health Care plans / risk assessments and in providing consent for students to attend educational visits and school trips.

10. How accessible is the school environment?

- We are a single level site with wheel chair access to all buildings and classrooms.
- We have accessible changing and toileting facilities.
- We seek advice and expertise from parents and specialist teams to ensure that the visual and auditory environment is suitable for learners.
- Where necessary we will employ the support of translators or supportive family members to communicate with parents whose first language is not English.

 The school SEND budget and personal budgets allows us to provide equipment and facilities to support children and young people with Special Educational Needs and Disabilities.

11. How will the school prepare and support your child/young person to join the school, transfer to a new school or the next stage of education and life?

- Transition meetings are held with primary schools in which we discuss all children and their strengths and difficulties – these meetings highlight children requiring additional support.
- We offer a more intensive transition package in additional to regular transition days, in order to enable students to meet key staff and classmates, adapt the become familiar with their new learning environment and discuss any concerns they may have.
- At all key transition points the SEND team offer support to ensure that appropriate
 provision is available to make the transition as smooth as possible, for example the
 SENDCo is available to attend and advise at options interviews and can offer support and
 advice when decisions are being made for Post 16 pathways. Local Authority
 representatives will be present at EHCP reviews in Year 11 to fully support Post 16
 transition.
- When students encounter a transition between school post year 7 we liaise with the donor school and any agencies involved to gather pertinent information, complete an assessment of need and put in place a plan for their successful integration into school life with us.
- We liaise closely with Post 16 establishments to pass on relevant information and where necessary arrange transition sessions. Support can be offered for college assessments and interviews.
- Our School careers advisor (Mis Cassie Horner) will provide reports and attend Annual Review Meetings in year 9, 10 & 11 to help prepare young people for their future. She will also arrange meetings with young people in school to offer advice and support.
- We can liaise with the transport team to arrange independent travel training where appropriate.
- Information sharing when a child moves on is prompt and detailed in order for their needs to be met and for support and provision to be in place. This will include details of support and provision currently in place in order for a new school to implement a similar support package.

12. How are the school's resources allocated and matched to children's/young people's special educational needs?

 Schools are given an additional amount, referred to as the 'notional SEND budget', it covers around £6,000 per pupil with SEND, over and above core funding. We will use this funding to meet pupil need and where necessary approach the Local Authority when high level needs cost more.

- As a school we endeavour to be equipped with resources and materials that enable all of our young people to learn. The tools and resources used to make learning accessible for all are sourced whenever applicable to ensure that barriers to learning are broken down and achievement is optimum.
- Our SEND Budget is devoted to employing well skilled Teaching Assistants, purchasing appropriately adapted, and accessible resources, securing training and professional assessments and ensuring that the school environment is learner friendly.

13. How is the decision made about what type and how much support my child/young person will receive?

- We offer a graduated approach to SEND in order to identify difficulties; assess need in conjunction with class teachers, parents and students and plan for appropriate support and provision:
- Where students are not making expected progress an assessment of difficulties and needs
 may be completed to identify specific areas of difficulty. This will inform the teaching
 strategies and tools needed to enable the individual pupil to make more rapid progress and
 hopefully overcome difficulties. It may also inform curriculum pathways.
- Where appropriate differentiation and quality first teaching does not have the desired impact
 and progress continues to be hindered by a young person's special educational needs then
 further assessment of need will be completed and small group or 1-1 intervention
 implemented that is suitable to the needs of the child and assessed regularly.
- Should the young person continue to make less than expected progress despite support
 matched to their needs and difficulties then we may involve specialists to complete further
 assessments and/or offer further advice and guidance to help us offer effective intervention
 and support. Parental consent will always be sought before involving outside agencies or
 specialists.
- At all stages, parents should be involved in the decision making process. Our open door policy invites parents to contact us at any time with any questions or concerns.
- A centrally held, comprehensive information database outlines the needs and difficulties of any children with special educational needs and the support they receive. This information also outlines advice from specialists and the SEND team, offering strategies for staff to employ when teaching individuals.
- The SENDCo reviews the SEND register, pupil attainment data and students in receipt of support termly. We often take advice from our TESS teacher should we have any specific concerns.
- Parents, students, teachers and teaching assistants are all important stakeholders and can be involved in the decision making process with regards the levels and types of support offered.
- Parents are encouraged to take an active role in supporting us to enable their child to make good progress. You can be involved by contributing to meetings and discussions at parent's evenings, by sharing all relevant information, by offering your expert knowledge and by supporting school and reinforcing the work we do in the home.
- We will measure the impact of interventions in a number of ways to ensure a holistic picture of achievement, some of which are outlines below:

- ✓ monthly SEND planning meetings;
- ✓ reviews of attainment data and pastoral data;
- ✓ learning walks and reviews of students' work;
- ✓ pupil voice conversations;
- ✓ staff consultation in readiness for formal reviews.

14. How are parents involved in the school? How can I be involved?

- Parents are encouraged to take an active role in supporting us to enable their child to make good progress. You can be involved by contributing to meetings and discussions at parent's evenings, by sharing all relevant information, by offering your expert knowledge and by supporting school and reinforcing the work we do in the home.
- Your involvement in your child's education is crucial. We would encourage talking to them
 about what they are learning, supporting them with homework and revision and encouraging
 them to remain positive about their learning experiences and developing attitudes that enable
 them to see challenges and mistakes as an important part of the learning process.
- Encouraging reading and reading with your child is hugely valuable and will make a significant difference to their learning capacity and learning attitudes.
- Seek advice from staff as to how you can support learning in specific subject areas.
- Access school apps to keep abreast of your child's learning experiences and homework set.
- You may also wish to attend the PTA group that meets half termly.
- Attend parent's evenings, SEND Drop in Evenings and any other meetings pertinent to your child; your views and expertise is valued and always welcome.

15. Who can I contact for further information?

- Your first point of contact if you wish to discuss anything about your child would be their form tutor or Head of Year.
- Other key staff in school are: Teaching Assistants, Pastoral Support and Attendance Officer (Mrs Zoe Bramwell).
- If you are worried about anything contact your child's form tutor or Head of Year, who will
 direct you to another appropriate member of staff in the unlikely event that they are unable to
 deal with your concerns themselves.
- If you are considering whether your child/young person with SEND should join the school you should contact Mrs G Ashton (Assistant Headteacher/SENDCo).
- You can contact any member of staff by telephoning the school on 01942 202580 or e-mailing enquiries@westleigh.wigan.sch.uk
- Further information about support and impartial advisory services and the Local Authorities Local Offer can be found at
