

Setting up your dramatic play area for this theme will be limited only by your imagination! Turn a box or small table into a ticket booth; tape jump ropes on the floor for the children to balance on; provide themed stuffed animals for the children to train; provide extra chairs for the "audience"; hang a parachute over this area to set the theme!

You can watch the story *Circus Shapes*.

Reception home learning sheet

You could make your own skittle games using plastic cups.

Below are some images of ideas for clown art and design. You can use one of these or create your own.
