

Homework

The **compulsory** homework this year across all year groups is **reading, spelling and times table** focussed. Please ensure you are helping your child learn their spellings each week (as they are tested on them each Friday) and giving them daily access to 'Bug Club' which is our online reading book program and is monitored weekly. If you cannot access Bug Club at home, please speak to your child's teacher who will issue you with an appropriate reading book. Children will be **rewarded** at the end of each half term by bringing in their reading cards signed by parents.

All children from years 2 to 6 also now have online access to an app called 'Times Table Rockstar' <https://trockstars.com/login>. Please speak to your child's teacher if you need any help with these two apps.

Teachers will also offer children in each year group the choice of **x3 optional homework projects** to complete at home. The children are free to **choose** if they want to complete one of these tasks. They will be rewarded for any additional homework completed and there will be bronze, silver and gold prizes!

Club Nights

There will be different clubs run every half term by the teaching staff and sports coaches. Teachers will send out letters at the end of the half term with information about the club they will run the following half term. The clubs will be allocated on a first come first served basis as there are a limited number of places. We will place children's names on waiting lists so if places become available your child will be informed. Clubs available this half term are as follows. You will receive a text or paper slip if your child has got a place on one of the clubs.
