Dear parent/carer,

As you will be aware from the latest government guidelines the plan is to reopen schools for Reception, Year 1 and 6 from June 1st. We are busy in the initial stages of planning what this will look like and how this will work but rest assured that all attempts to safeguard and distance children will be taken.

Please could the parents of RECEPTION, YEARS 1 and 6 ONLY follow the link on the letters page to show if you will be requiring a place for your child(ren). For those who do not wish to attend prosecutions will be postponed for the time being. For those of you who are unable to do this electronically please call school and a member of the team will take the information for you.

We understand that your decision may be based on how we organise things but this will depend on how many children we have in so there is a maybe option. Further information with a clear plan will follow to help you make your decision if you are unsure.

Thank you for your continued support in helping us do what is best for your child and family.

Yours Sincerely

Miss L Fleet
Deputy Headteacher
