

MONEY -Trips

Unfortunately due to budget cuts we are now asking for donations for some trips and visits. We have been extremely lucky over the past few years that we have been able to fund these. If we do not raise enough money in donations for a trip then we will unfortunately have to cancel it.

MONEY - Damage

Should your child cause non accidental damage to school property you will receive a bill to cover costs of repair or replacement.

We understand that such instances could cause a financial burden and ask that you contact school to make alternative arrangements should it be necessary.

If you have an **EXISTING DEBT** with school, ie dinner money / old nursery fees, your child will not be allowed to access trips and visits until the debt is cleared. A letter will be sent to those families that this is relevant to.

Please speak to Mrs France to make arrangements for these debts to be cleared.

MOBILE PHONES

Whilst we do not encourage mobile phones being brought into school we understand that children who walk home alone may need to bring them.

These must be signed into the school office on arrival at school and collected at the end of the school day.
