**History:**
To recount the life of someone famous who lived in the past, giving attention to what they did before and after.

We will learn that some famous people have helped our lives be better today.

**Geography:**
To identify seasonal and daily weather patterns in the UK.

Children will be able to discuss and describe the weather patterns in each season in UK.

**R.E:**
Judaism. We will look at recognising religious symbols and their importance.

**Computing:**
We will learn how to mix samples of music and create music with code.

**Art:**
We will explore the ways to create depth and texture to our paintings.

**PSHE:**
Dreams and Goals. We will look at what it means to achieve something. We will discuss what we can do to overcome obstacles and how we can measure success.

**Using + Applying**

**Maths:**
Use the language of: equal to, more than, less than (fewer), most, least. Read, write and interpret mathematical statements.

**Writing:**
Compose and sequence their own sentences to write a fantasy story.

**Science:**
To identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals. We will be describing and comparing the structure of animals.

**Homework challenge:**
- Create a hot or cold climate box or diorama.
- Research and create a poster of your favourite animal.
- Make your own animal mask.

**PE:**
Games - master basic movements and develop balance, agility and coordination.

Dance - Children will learn to create dances to the theme 'Magical Toys'. They will move in different ways to music and perform their dances for others.

**DT:**
Healthy Eating - we will begin looking at different groups of food and what makes a food healthy.

**Music:**
To perform a variety of music, each with differing tempos and rhythms. To follow instruction and create our own rhythmic piece.
