Sandbach School Open Evening – Years 4, 5 & 6

 Sandbach School

 Sandbach School,
Crewe Road, CW11 3NS

 enquiries@sandbachschool.org

**SANDBACH SCHOOL
OPEN EVENING**

17th September
4.00pm - 7.00pm

Headteacher's talk - 5.30pm

We look forward to welcoming boys currently in years 4 & 5 to our open evening at Sandbach School on 17th September. There will be a range of activities on offer from each of our curriculum departments between 16.00 and 19.00.

Sarah Burns, Headteacher will give a talk at 17.30 in the Theatre. Members of the school leadership team will be on hand to answer any questions before and after the presentation.

We do hope you are able to join us to learn more about our amazing school and how we specialise in teaching boys.

Class News

Cygnets and Pufflings

What a fantastic first full week we have had in Reception! We are incredibly proud of all the children for how well they have settled into school life. They have shown great enthusiasm, resilience and kindness as they have begun their learning journey with us.

In Phonics, we have started exploring the picture prompts that accompany our single letter sounds. The children were very excited to meet Fred the Frog and enjoyed playing lots of fun Fred Games, helping them to develop their listening and oral blending skills.

In Maths, we have been learning all about matching and sorting. We have used the words same and different to compare objects and have practised sorting items into different sets based on their characteristics.

Our topic work this week has focused on families. We have talked about how every family is special and unique. The children also enjoyed decorating handprints for our Reception Class Charter display, creating a colourful reminder of how we can work together and support one another throughout the year.

We were also excited to take part in our first PE lessons in the hall. The children practised finding space safely, moving around confidently and listening carefully to instructions.

Well done, Reception, on an amazing first week. We are so proud of everything you have achieved already and cannot wait to see what next week brings!

Goldfinches and Woodpeckers

The children have worked incredibly hard this week and are settling into the Year 1 routines really well. We are so proud of how positively they have approached their new learning and classroom expectations.

Literacy: We have been reading *Old Bear*, exploring new vocabulary and learning the meanings of unfamiliar words. The children have been practicing using this new vocabulary in their own sentences.

Maths: We have been focusing on counting and writing numbers within 10, building confidence in number formation and number recognition.

Forest School: Both classes thoroughly enjoyed their woodland session, demonstrating excellent listening skills and enthusiasm while learning outdoors.

Whole Class Reading: The children have been reading *Not Now, Bernard*. They have written predictions about the story and used inference skills to think about how the monster might move, sound and look.

RE: We have started our Christianity unit and learnt the word *creator*. The children then became creators themselves by designing and making something of their own.

Science: We have been exploring different materials and identifying objects around the classroom. The children enjoyed labelling items according to the materials they are made from.

Well done, Year 1, for a fantastic start to the term! We look forward to another week of exciting learning.

Owls and Robins

We have had a wonderful couple of weeks with Year 2. They have come back to school ready to learn – a super attitude to learning.

In literacy, we have read our book 'A River' which focuses on a journey along a river from the city to the jungle and finally back to the city. We have been learning some new vocabulary such as prized possession and squint. The children have used conjunctions to link ideas

together too. We have settled into our daily phonics and comprehension routine. The children should bring their reading records and phonics books into school daily.

In maths, we have been looking at place value. The children have been counting in tens as well as partitioning two-digit numbers into tens and ones. We have used place value grids and part whole models to support our understanding of numbers up to 100. We also looked at how to use 5 to make other numbers such as $5+3$ and $5+4$. We don't need to count to five, instead we count from 5.

In science, we looked at what different objects are made from such as plastic chairs and glass windows. In RE, we have been looking at kindness and how we can show this to other people. During PSHE, we discussed our worries and wrote them in worry monsters. Talking about our worries can help them to go away! In art, we have enjoyed using different materials such as charcoal and pastels to shade and create tone. During history, we explored pictures showing schools in the past. We thought about what we would like to learn during this topic about schools in the past. The children were keen to find out about different punishments! The children enjoyed using the iPads in computing whilst in PE we have been working on personal challenges such as speed and reactions.

We have really enjoyed our first couple of weeks with year 2. Let's make it a hattrick next week!! Have an amazing weekend! Well done Owls and Robins!

Sandpipers and Moorhens

This week, Year 3 have thoroughly enjoyed exploring *The Iron Man* by Ted Hughes. We have immersed ourselves in the story and analysed it in detail, looking closely at the text features and the author's writing style. In Maths, we have used lots of practical equipment to deepen our understanding of the place value of three-digit numbers. The children particularly enjoyed learning how to flexibly partition numbers in different ways. In RE, we explored the commitment Muslims make to Allah and learned about the importance of praying five times a day. We then applied our understanding of commitment to other commitments people make in their own lives, helping us to appreciate why this is so important to Muslims. In Science, we learned about the bones in the human body through a game of Simon Says. The children had great fun labelling a skeleton and discovering the important functions of the skeleton. In Music, we had our first Musical Theatre session and had a fantastic time playing team-building games and beginning to learn the lyrics to *Food, Glorious Food* from the musical *Oliver!*. It has been a wonderful week filled with exciting learning, enthusiasm and enjoyment across the curriculum.

Kingfishers and Lapwings

It's been a fantastic first full week in Year 4!

In Literacy, the children have been exploring their new text 'The Whale'. The children have: looked at new vocabulary and prepositions, gathered ideas and used fronted adverbials! In Maths, the children have been working to partition 4-digit numbers into thousands, hundreds, tens and ones as well as looking at adding more/less. The children have also started 'Number Sense' and have impressed us with their accurate and rapid recall of multiplication! As part of our 'Animals including Humans' topic, in science we looked at the different type of teeth we have and learned the function of each type of tooth. In RE, the children learned about the different ways that Muslims try to lead a god life and in PSHE the children looked at teamwork! Finally, in History the children looked at the working lives of children in both the Tudor and Victorian period. Keep up the fantastic work Year 4!

Kestrels and Red Kites

We have been very excited to introduce our theme for this half term – Space! In Literacy, we began by predicting what our new text might be about, using reveals of lots of mysterious space-themed objects to spark our curiosity and imaginations. We have since been learning lots of new and exciting vocabulary linked to our text, Curiosity, which tells the story of the Mars rover and its exploration of the Red Planet.

Our literacy learning has linked beautifully with our science topic, where we have been learning all about Space and our Solar System. We began by exploring the different planets, learning their names and discovering lots of fascinating facts about each one. Did you know that Saturn has some enormous rings surrounding it? We have particularly enjoyed learning about Mars, also known as the Red Planet, which will be a key focus as we continue our learning.

Our Space theme has also inspired our Art learning. We have been exploring the Space Race and discovering how the fascination and excitement surrounding space during the 1950s and 1960s influenced fabric design, architecture and interior design. We are looking forward to developing our ideas and creating our own space-inspired designs.

In Computing, we have begun exploring the world of quizzing and have started to design and create our own quizzes. This has already been great fun, particularly when we challenged ourselves to take part in the 'Worst Quiz Ever Made!' We certainly had lots of laughs along the way!

In PSHE, we have started thinking about the targets and goals we would like to set ourselves for the school year. We have been considering how we can challenge ourselves, develop our independence and make positive choices as we continue our Year 5 journey.

In RE, we have begun our new topic exploring Hinduism, learning about some of the beliefs and traditions that are important to Hindus. We have also started our new History topic all about the Vikings, including exploring the reasons why the Vikings invaded Britain. We are

excited to continue investigating this fascinating period of history and finding out more about the impact the Vikings had on Britain.

It has been a fantastic start to Year 5, and we have been so impressed with the children's enthusiasm, curiosity and willingness to learn. We are looking forward to an exciting half term filled with discovery, creativity and lots more learning!

Eagles and Hawks

Year 6 have had a fantastic start to the new school year and have certainly hit the ground running! Over the past two weeks, the children have shown great enthusiasm and worked incredibly hard across all areas of the curriculum.

In Literacy, we have begun exploring *On the Origin of Species* and are already developing ideas for engaging setting and character descriptions. In Maths, our focus has been on place value, working with numbers up to 10 million, as well as rounding and understanding negative numbers.

In Science, we have started our exciting topic on Evolution, investigating how plants adapt to survive in different environments. Meanwhile, in History, the children have been learning about censuses, why they are important, and have even created their own census for our Year 6 class.

We are looking forward to seeing how Year 6 continue to embrace the challenges of their final year at primary school. They have made an excellent start in their new roles as the oldest pupils in the school and are already demonstrating the responsibility, maturity and leadership expected of positive role models for the younger children. Well done, Year 6!

Praise

Reception & Key Stage One

Class	Name	Reason
Pufflings	Dougie	For being kind, caring and friendly towards his peers.
Pufflings	Phoebe	For always listening well and being ready to learn.
Cygnets	Daniel	For both for super sitting and listening during learning time.
Cygnets	Kate	For both for super sitting and listening during learning time.
Goldfinches	Lyra	For working really hard in Literacy, writing some well thought out sentences.
Goldfinches	Kingsley	for working super hard on your phonics, both in school and at home. Keep it up!
Woodpeckers	Sam	For showing fantastic enthusiasm and engagement during phonics lessons this week.
Woodpeckers	Lottie	For showing fantastic enthusiasm and engagement during phonics lessons this week.
Owls	Porsche	For showing enthusiasm and confidence when working on his fluency in reading – well done for using your voice!
Owls	Zora	For a superb start to life at Wheelock – you have fit in beautifully. It's like you've always been here! Well done and welcome to Wheelock!
Robins	Elise	For her fantastic creative writing and storytelling.
Robins	Rory	For setting such a high standard of behaviour for himself and others.

Key Stage Two

Sandpipers	Arthur	For always showing super engagement and working really hard during all lessons.
Sandpipers	Henry	For always being a respectful and kind member of Sandpipers class.
Moorhens	Elijah	For demonstrating outstanding behaviour by always listening carefully and following expectations.
Moorhens	Orlaith	For always doing the right thing, even when no one is watching, and being a brilliant role model for others.
Kingfishers	Orin	For always aspiring to do your very best.
Kingfishers	Evie	For settling into Wheelock life and being a great friend.
Lapwings	Harper	For being a fantastic role model and demonstrating our Wheelock Behaviours in everything she does!
Lapwings	Harley	For being a fantastic role model and demonstrating our Wheelock Behaviours in everything she does!
Kestrels	Sophie	For possessing the holy trinity of learning, independent, takes feedback on board and always ready to go.
Kestrels	Sophia	For being a joy to have in the classroom, she listens and takes feedback on board, has wonderful manners and is a calming influence to those around her.
Red Kites	Iris	For excellent work in Literacy! Great ideas, concentrating in lessons and using interesting, figurative language.
Red Kites	Grace	For excellent focus and concentration in Maths, to produce wonderful work.
Hawks	Ted	For making such a positive impression and having a fantastic start to Year 6. Well done, Ted!
Hawks	Mason	For always being engaged with his learning, answering questions and working hard. Well done, Mason!
Eagles	Ava	For lovely ideas for her rainforest setting description.
Eagles	Freddie	For excellent understanding and problem solving with place value.

The Hive

Welcome Back to School!

A very warm welcome to all our children and families!

It has been a lovely start to the new school year in our Before and After School Club. The children have settled beautifully into their new routines and have quickly found their feet.

The children have had lots of fun spending time outdoors, enjoying fresh air, playing games and having fun with our friends. It has also been wonderful to see the children making new friends and welcoming others into their play.

As always if you have any concerns, please do not hesitate to contact us, thank you.

Safeguarding and Parenting Support

TOGETHERNESS **NHS**

An update on
WELLBEING FOR EVERY SCHOOL PARENT
Your NHS learning space created by psychologists

September 2026

As we send our children back to school for another exciting term and year of learning, we're delighted to share some helpful resources for parents experiencing all the big emotions of growing children.

TogetherNESS the NHS emotional health digital learning hub funded in your area. Your family has **free access** to expert learning about childhood development, wellbeing, brain changes, and much more to help you to connect with your children.

Here's a quick round up of what we think is great on TogetherNESS to help your children thrive.

Sex, AI, conflict and relationships & more - a guide for parents

Understanding your child in a changing world

Online learning to support you navigating tricky parenting topics - Social media, gaming, AI, friendships, big opinions, sex, conflict and war

[\[togetherness.nhs.uk/learning\]](#)

Give them a confident back to school

What to pack in their emotional health kit

Our child psychology experts share some simple ways to help your child feel brave and capable as they prepare for another year of learning

[\[togetherness.nhs.uk\]](#)

Kate Lawler joins Togetherness

We're delighted to welcome Kate Lawler as our first celebrity ambassador who will host a live Q&A event on 23rd September for parents. Follow us on Instagram to stay up to date.

[\(Live Q&A, follow us for more\)](#)

Build their toileting confidence and independence

Help your child to continue to strengthen their skills to use the toilet with confidence as they settle into big school

[\(5 minute read\)](#)

In the trenches with toilet training?

Myth busting toilet training

If toilet training feels like a battle... you're not the only one! We bust the myths around toileting in this short video

[\(YouTube short\)](#)

Strengthen your connection

Understanding your relationships

87% have found the pathway helpful.

One learner shared: "The pathway really made me think how important it is to see things from my partner's point of view and how normal it is to have hiccups in relationships."

[\(bite-size e-learning\)](#)

Understanding your child's feelings

The start of term can bring lots of changes and lots of feelings for children and parents. Our faster pathway can support you to recognise what your child might be feeling and gives you confidence to know how to respond

[\(bite-size e-learning\)](#)

Understanding your child: from toddler to teenager

An even easier way to access learning about child development and emotional health from NHS experts

[\(bite-size e-learning on WhatsApp\)](#)

FREE ACCESS

You're receiving this update as your school is based in a free (pre-paid, funded) access area for togetherness.co.uk

Find the [Free Access Checker](#) in the pathway library to unlock free online learning that could change your relationship with your child for the better.

You Are Not Alone - A supportive community for parents and carers

You Are Not Alone is an online support service for parents and carers who have a child diagnosed (or suspected) with autism and/or PDA. They are offering a **whole month free** access to a warm, understanding community for parents and carers seeking support, connection and practical guidance. This safe, welcoming space offers help with meltdowns, emotional regulation, education and everyday challenges, right from the start.

You'll have full access to weekly live dropins, a rich library of videos, articles and podcasts, and a supportive WhatsApp group to connect throughout the week. Even one month of steady support can help you feel less isolated, more confident, and better equipped to advocate for your child.

Follow the link for further information <https://www.youarenotalone.community/>

Free School Meals

Please find below the link to apply for Free School Meals. If you do qualify for this it covers lots more than just the school meals therefore it may be worth taking a look.
