Anti-Bullying Week - Break the Silence

Next week, we will be taking part in Anti-Bullying Week, focusing on this year's theme of encouraging children to speak out when they see or experience unkind behaviour.

To launch Anti-Bullying Week, we will be celebrating **Odd Socks Day on Monday 16th November**. Children are invited to come to school wearing odd socks to celebrate individuality, diversity and what makes each of us unique.

Odd Socks Day is a fun way to remind us that we are all different, and that our differences should be celebrated. We look forward to seeing everyone's colourful and creative socks! 🧦💙💛

In Key Stage 1, children will be exploring what makes them unique, how we all belong, and how to be a kind and supportive friend. In Key Stage 2, pupils will be designing posters to promote belonging, kindness and speaking out against bullying. These posters will be displayed around school to help spread this important message.

We will also be introducing Whisper Boxes around school, giving children another way to share any worries or concerns if they see someone being treated unkindly. Together, these activities will help reinforce our school's message that everyone should feel safe, valued and heard.

Picture News

This week, children explored the question: *Should traditions always stay the same?* Using the example of Leicester's Diwali celebrations, they discussed why traditions matter, why they sometimes change, and whether creating new traditions can be just as important.

Why not continue the conversation at home by sharing some of your own family traditions?

Class News

Cygnets and Pufflings

We have had a super week in Reception. We have been developing our understanding of different cultures and celebrations as we explored the festival of Diwali. We learned about why Diwali is celebrated and how families mark this special occasion, including the use of lights, candles, rangoli patterns and colourful decorations. The children enjoyed sharing their thoughts and experiences, asking questions and learning about different traditions.

We have been developing our Expressive Arts and Design skills through exploring a range of printing techniques, experimenting with different materials, patterns, colours and textures to create our own designs. We have also enjoyed singing together, developing our confidence, remembering lyrics and joining in with familiar songs.

Our *Whatever Next!* drawing club has inspired lots of creativity and imagination. The children have been developing their drawing skills, adding detail to their pictures and talking about their ideas. We have also been building our early writing skills by listening carefully to the sounds in words, identifying and writing initial sounds, and beginning to write simple CVC (consonant-vowel-consonant) words.

Throughout the week, the children have been encouraged to share their ideas, develop their independence, build confidence and take pride in their learning. We are so proud of their enthusiasm and the progress they continue to make!

Goldfinches and Woodpeckers

It has been another busy and exciting week in Year 1!

In Maths, we have been consolidating our learning on subtraction, focusing particularly on using number lines to help us solve subtraction problems. We have been practising counting backwards on a number line to find our answers. Please continue to support your child with practising subtraction at home.

In Literacy, we have been exploring the traditional tale of Rapunzel. We have enjoyed learning and using new vocabulary, including *cackled, curse* and *trapped*. Why not ask your child to show you their best wicked cackle?

In Whole Class Reading, we have been enjoying the story Oi Frog! and exploring rhyming couplets. We have had lots of fun spotting words that rhyme!

In Science, we have been learning about the different seasons and discussing the changes we notice throughout the year.

We have also been busy rehearsing for our Nativity performance! The children have been working hard to learn their lines and songs, and we are very excited to share our performance with you. Please continue to support your child by practising their lines at home.

Well done, Year 1, for another fantastic week of learning!

Owls and Robins

A really busy week for Year 2.

In maths, we have been looking at more and fewer. The children have also been subtracting different numbers and seeing if it is easier to count on rather than subtract.

In literacy, we have looked at using apostrophes for possession by identifying the owner. The children have also written some super setting descriptions where they included similes and expanded noun phrases.

In science, we have identified the offspring of different mammals and looked at the stages of the human life cycle. During computing, we have continued to look at data and using questioning to support this. We learnt how to tally accurately. In PSHE, we are celebrating difference. the children discussed how we don't always like things that might be stereotypical such as boys liking football and all girls like pink.

Our weekly highlight is the woodland and D&T. The children have discussed structures which led them to explore making structures in the woodland. We tested different bases and found where were stable and which were unstable. It was lovely and crisp in the woods this week but that didn't stop us smiling as you can see by our pictures.

Have a fantastic weekend everyone!

Sandpipers and Moorhens

We have had another fantastic week in Year 3!

In Music, the children have continued practising their *Oliver Twist singing*. Their confidence and enthusiasm are growing with every rehearsal. In Literacy, we have continued exploring images from our class text, *The River*, and have developed our understanding of using prepositions to indicate place within our writing. The children have also begun planning their hot write, where they will be creating detailed and imaginative descriptions. In Maths, we completed our Unit 3 assessment on addition and subtraction, including using inverse operations to check answers. The children have worked incredibly hard throughout this unit and should be very proud of the effort and determination they have shown. In Science, we have continued learning about forces and magnets, investigating how they are used in everyday life and the important role they play in many common objects and situations. In Geography, the children are thoroughly enjoying learning about volcanoes and tectonic plates. This week, they have discovered how the movement of tectonic plates can cause mountains to form, trigger earthquakes and create volcanoes.

In RE, we have begun our new unit on Christianity. The children are starting to explore who Christians believe God is and why God is central to Christian beliefs and teachings. During Whole Class Reading, both classes have enjoyed immersing themselves in their new texts, *The Human Body* and *James and the Giant Peach*, and have already shown great enthusiasm for the exciting learning ahead. In PE, we have been developing our fitness through circuit training, while our sports coaches have been teaching netball skills and tactics.

What a wonderful week of learning it has been. We are incredibly proud of all the children for their hard work, enthusiasm and positive attitude. Have a lovely weekend! 😊

Kingfishers and Lapwings

Another brilliant and busy week in Year 4! A highlight was during swimming this week, the children thought about winter water safety and those who brought hats and gloves experienced what it felt like to swim with them on.

In Maths the children have learnt all about area and have learnt how to find the area of rectilinear shapes by counting squares and using multiplication as a more efficient method.

In Literacy we have continued our work on our focus text 'Leaf' and have developed our vocabulary to write wonderful setting descriptions using fronted adverbials, prepositions and expanded noun phrases.

In Science this week we have carried out an experiment to explore the 'runniness' of liquids as part of our Changing States topic. We tested different liquids by pouring them down a ramp and timed how long it took to reach the end - the children loved this practical lesson and will be able to tell you about their findings.

Design and Technology has been another favourite this week as we begin a cooking unit of work. Our first lesson was to explore packaging of biscuits and carry out a taste test. As you can imagine this was enjoyed by all of the children - and adults! We are looking forward to another busy week next week and hope you all have a lovely weekend.

Kestrels and Red Kites

Another busy, exciting week in Year 5! Take a look at our highlights…

In Maths, we have started our new unit on fractions and explored the concept of equivalence. We recapped unit and non-unit fractions before using our times table facts to identify and calculate equivalent fractions.

In Literacy, we have been delving into technical vocabulary, descriptive phrases, and rich new words linked to our exploration narrative. The children produced some super writing using their new-found word banks, applying their previous knowledge of relative clauses to extend and add detail to their sentences. We also looked at word structure, practising how to change nouns and adjectives into verbs by adding different suffixes.

In Science, we investigated the question: *Do all objects fall at the same rate?* We carried out a practical experiment using a variety of objects, carefully measuring the time it took for each one to fall to the floor from a set height.

In Music, we began our new unit on the Blues. We had fun practising the 12-bar blues using the chords C, F, and G. We certainly made plenty of noise, but it was wonderful to hear the notes coming together!

Next week, we will build on this by playing our practised chords alongside a backing track.

Have a lovely weekend, everyone!

Eagles and Hawks

Year 6 have enjoyed another busy and productive week of learning, continuing to demonstrate excellent effort and enthusiasm across all subjects.

In Maths, we have been developing our understanding of fractions, focusing on adding and subtracting fractions and mixed numbers. The children have worked hard to apply their knowledge and explain their reasoning when solving increasingly challenging problems.

In Literacy, we have been writing vivid setting descriptions based on our class text, *Shackleton's Journey*. Using rich vocabulary and powerful imagery, the children have brought the icy landscape of Antarctica to life through their writing.

Our Art lessons have continued to focus on the *Expressing Ideas* unit. The children have further developed their drawing skills by creating artwork using one-point perspective, carefully applying techniques to create depth and scale within their compositions. We have been very impressed with the creativity and concentration shown throughout this unit.

As part of our Remembrance Day learning, the children created thoughtful pieces of artwork inspired by *In Flanders Fields* by John McCrae. They reflected carefully on the poem's themes of remembrance, sacrifice and hope, producing some meaningful and moving final pieces.

In French, we have been learning new vocabulary connected to houses and homes, helping the children build their confidence in speaking and understanding everyday language.

Well done, Year 6, for another fantastic week of hard work and positive attitudes. Enjoy your weekend!

Praise

Reception & Key Stage One

Class	Name	Reason
Pufflings	William	For super morning writing this week.
Pufflings	Daisy	For having a positive attitude towards her learning and bringing a positive energy to the classroom.
Cygnets	Penelope	For working hard to overcome personal challenges – well done!
Cygnets	Theo	For working hard to overcome personal challenges – well done!
Goldfinches	Freddie S	For having a positive week. Keep it up!
Goldfinches	Alice	For always having a positive attitude. You are a joy to have in the classroom!
Goldfinches	Freddie L	For working hard on his handwriting. Well done!
Woodpeckers	Amariah	For having an excellent attitude towards her learning and having a fantastic week!
Woodpeckers	Romilly	For some excellent engagement doing subtraction with the ten frames and counters.
Owls	Jaxon	For working so hard on his structure in the woodland - super perseverance and patience. Well done!
Owls	Hope	For really trying hard all week with her work - your efforts haven't gone unnoticed, well done!
Robins	Riley	For his kindness and support of his friends and his extra push in independence.
Robins	Jamie	For his kindness and support of his friends and his extra push in independence.

Key Stage Two

Sandpipers	Albert	For contributing fantastic ideas during our group writing this week when describing a river setting. Wonderful work!
Sandpipers	Audrey	For a fantastic learning attitude in all lessons. You show up every day with the correct mindset and attitude to always achieve your best. Keep it up!
Moorhens	Kaelyn	For taking great pride in the presentation of her work this week, demonstrating care, effort and high standards in everything she has completed.
Moorhens	Bella	For showing fantastic determination in Maths this week, working hard to develop her understanding of addition and subtraction and never giving up when faced with a challenge.
Kingfishers	Toby	For incredible efforts with his learning and a desire to improve. Huge well done!
Kingfishers	Poppy	For always being ready to learn and taking on board advice to improve her work.
Lapwings	Piper	For aspiring in Literacy every day!
Lapwings	Sophia	For being a good partner and always showing our Wheelock Behaviours!
Kestrels	Leo	For an amazing effort and a fantastic score on his latest Maths assessment! Your hard work on multiplication and division really paid off – well done!
Kestrels	Lily	For always putting 100% effort into everything she does! Your dedication, enthusiasm and positive attitude shine through in every single lesson.
Red Kites	Ada	For being super helpful and kind all week.
Red Kites	Jack	For trying so hard to write an engaging poem.
Hawks	Jasmine	For creating a beautiful piece of poppy artwork to mark Remembrance Day.
Hawks	Emily	For working really hard in maths this week and showing great perseverance with some tricky fractions concepts.
Eagles	Henry	For excellent work adding and subtracting fractions. Well done Henry!
Eagles	Marley	For excellent work adding and subtracting fractions. Well done Marley!

The Hive

We have had lots of fun at the Hive The children have really enjoyed playing a variety of board games, getting creative with different arts and crafts activities, and using their imaginations during role-play games.

We have also loved seeing the children showing off their fantastic dancing skills, with plenty of smiles, laughter and lots of fun along the way!

FOWS NEWSLETTER

🌈 Rainbow Raffle is coming!

We're excited to be launching our **Rainbow Raffle** again!

To help us create our colourful class hampers, we'll be holding a:

🌈 Non-Uniform Day

📅 **Friday 20th November 2026**

Children are invited to come to school in **non-uniform** and bring along a **coloured donation for their class hamper**.

Each class will be given a colour, and we'll share the class colours and some donation ideas nearer the time.

The donated goodies will be used to create our fantastic **Rainbow Raffle hampers** for the Christmas Fair! 🎁

🎄 Christmas Fair – Save the Date!

Planning is already underway for our **FOWS Christmas Fair!**

📅 **Thursday 10th December 2026**

We're busy putting together plans to make this year's fair a fantastic festive event for our children, families and school community. More information will be coming soon, so keep an eye out!

Thank you for continuing to support **Friends of Wheelock School (FOWS)**. Every bit of support helps us raise money and create some brilliant experiences for our children and school. 💛

We hope to see you soon!

Friends of Wheelock School (FOWS)

SEND Information

This is a great padlet for parents from CEAT (Cheshire East Autism Team), please find the link below.

CEAT Parent/Carer Padlet

SEND Drop In

Disley Library and Community Centre –

Friday 27th November 9.30am-11.00am

Who will be here?

SEND 0-19+ health practitioners (On behalf of health visitor/school nursing services Cheshire East) for parents of children & Young people for support, signposting and guidance with all SEND related issues and helping to understand why your child may be struggling and ideas that may help. Think your child may have SEND and not sure where to go or what to do?

CHESHIRE EAST PORTAGE TEAM – Representatives from Cheshire East's Start for Life Portage team will be here explaining their offer and to offer support particularly for our youngest residents ☺ They will be offering a Stay and play for our youngest residents

CHESHIRE EAST INCLUSION AND TRANSITION TEAM – A representative from Cheshire East's support team will be here to discuss your concerns around transition to school and how your child can be supported in education

SEND 0-19 Advice sessions

SEND 0-19+ health practitioners (On behalf of health visitor/school nursing services Cheshire East) **bookable** appointments for parents for support, signposting and guidance with all SEND related issues and helping to understand why your child may be struggling and ideas that may help. Think your child may have SEND and not sure where to go or what to do? Need support around toileting, sleep, behaviour or development – feel free to book an appointment for some advice. You will be seen on a 1-1 basis and there is no need to bring your child.

Safeguarding and Parenting Support

Sleep Workshop with Visyon

Thank you to all the parents and carers who attended our recent sleep workshop delivered by **Visyon**. We hope you found the session helpful and were able to take away some useful strategies to support healthy sleep routines at home.

We are hoping to arrange further parent workshops next year and we will share details as soon as they are available. In the meantime, Visyon offers a range of free parent webinars and resources which can be accessed online. Please see the link below for more information.

Parent webinars | visyon

Supporting a Child with Anxiety

This online session is designed to help parents and carers understand the different ways anxiety can present in children and young people. The webinar will provide practical ideas and strategies to help families support their child in recognising, understanding and managing anxiety.

📅 **Wednesday 9 December 2026**

🕐 **11:30am - 1:00pm**

💻 **Online via Microsoft Teams**

This session may be particularly beneficial for families who are concerned about their child's worries, fears, avoidance behaviours or emotional wellbeing and are looking for practical ways to provide support at home.

For more information about the webinar and Visyon's wider services, visit www.visyon.org.uk or call **01260 290000**.

Parent/Carer Peer Support Forum

A welcoming peer support session for parents and carers seeking connection, shared experiences and support from others facing similar challenges.

📅 **Wednesday 18 November, 6:30pm-7:45pm**

📍 **Just Drop-In, Macclesfield**

For further information or to book a place for either session, please contact:

📧 parenting@justdropin.co.uk

You Are Not Alone - A supportive community for parents and carers

You Are Not Alone is an online support service for parents and carers who have a child diagnosed (or suspected) with autism and/or PDA. They are offering **a whole month free** access to a warm, understanding community for parents and carers seeking support, connection and practical guidance. This safe, welcoming space offers help with meltdowns, emotional regulation, education and everyday challenges, right from the start.

You'll have full access to weekly live dropins, a rich library of videos, articles and podcasts, and a supportive WhatsApp group to connect throughout the week. Even one month of steady support can help you feel less isolated, more confident, and better equipped to advocate for your child.

Follow the link for further information https://www.youarenotalone.community/

Pupil Premium – Are You Eligible?

Free School Meals

Please find below the link to apply for Free School Meals. If you do qualify for this it covers lots more than just the school meals therefore it may be worth taking a look.

https://www.cheshireeast.gov.uk/schools/school-meals/free_school_meals.aspx

New Autumn Term 2 Menu

School Meals Price Increase

We would like to remind parents and carers that the cost of a school meal increased from **£2.60 to £2.70** with effect from **1st September 2026**. We apologise that this change was not communicated at the start of the school year and appreciate your understanding. The increase was necessary due to rising operational costs, including increases in National Insurance contributions and other staffing, food and service-related expenses. We remain committed to providing high-quality, nutritious meals for our pupils while keeping costs as affordable as possible for families. Thank you for your continued support.
