Pupil Premium – Are You Eligible?

WHEELOCK PRIMARY SCHOOL

PUPIL PREMIUM

Extra funding to help every eligible child thrive.

Supporting every child to achieve their potential

Aspire
Respect
Responsibility

WHAT IS PUPIL PREMIUM?

Pupil Premium is extra money paid to school for eligible children. It does not affect your benefits and is not paid directly to families.

WHY IT MATTERS

This additional funding helps us to:

- Provide targeted teaching and interventions
- Support children's wellbeing and mental health
- Offer a wider variety of clubs, trips and experiences
- Provide books and learning resources to support progress

OUR PUPIL PREMIUM STATISTICS

At Wheelock Primary School (September 2026):

- 53 pupils receive Pupil Premium funding (13% of our school).
- 43% of our Pupil Premium children are also SEND.
- 13% of our Pupil Premium children are looked after by a local authority (LAC/PLAC).
- 8% of our Pupil Premium children are service children.
- 12% of our school are in receipt of Free School Meals (FSM) (targeted and enhanced).

HOW TO APPLY

- 1 Go to the Cheshire East Parent Portal using the website below.
- 2 Complete the online form.
- 3 It only takes a few minutes.

Apply for Pupil Premium Funding at:
www.cheshireeast.gov.uk/schools/school-meals/free-school-meals.aspx

FREE SCHOOL MEALS UPDATE

From September 2026, all households receiving Universal Credit can apply.

You still need to apply.

Together we can make a big difference!

★ Aspire ♥ Respect ★ Responsibility

Brighter Futures Together

Harvest Collection

This year we are supporting our local food bank to collect donations. This is linked to our Harvest celebration in school and links well to our school values; believe, belong and be kind.

We will start collecting the donations from today and send donations to the food bank by the half term holidays.

Please send any donations in with your child or to the main office.

Thanks again

Mrs Davenport

We are always in need of the following items:

- Tinned meat
- Tinned meals
- Instant Coffee
- Long life fruit juice
- Tinned vegetables
- Tinned potatoes
- Tinned fruit
- Long grained rice
- Toilet paper

FOWS Christmas Fundraiser

Xmas4schools.co.uk

**Beautiful FUNDRAISING
CHRISTMAS PRODUCTS
FROM CHILDREN'S Artwork**

Dear Parents/Guardians,

Don't miss the chance to have your child's artwork turned into beautiful Christmas cards, poster calendars, mugs, gift labels, our fabulous waffle textured tea towels, tote bags, enchanted snowblocks, or our keyring and fridge magnet packs!

It's that time of year again and your child will either have already created their own special Christmas design at school/nursery, or will have brought the materials to do it home. This is a great opportunity to turn their creation into a range of professionally printed products, which you are able to purchase for family and friends this Christmas.

£1.00 from the sale of each product will go straight back to the school/nursery or PTA!

Christmas Cards
A3 Poster Calendars
Tea Towels
Cards With No Message Inside
Mugs
Gift Labels
Tote Bags
Keyring and Magnet Pack
Enchanted Snowblock

For prices please visit www.xmas4schools.co.uk/products

Please complete the form on the reverse of your child's artwork and return it to the school by the date printed - you will not need to place an order at this stage. Once we have received your form we will send you a text and an email containing your order link which you can follow to your child's ordering portal. From here, you can place your order and make payment.

Please note we cannot accept any late orders after the online portal has closed.

Many thanks & we look forward to receiving your order.

Our very best wishes,
The Xmas4Schools Team

Class News

Cygnets and Pufflings

Drawing Club this week has focused on the story *The Something*, where a little boy loses his ball down a mysterious hole in his garden. The children thoroughly enjoyed our Adventure Time discussions, sharing their ideas about what might be lurking down the hole, how we could rescue the ball, and what might have created such a curious mystery!

In phonics, we have now learnt all but two of our single-letter sounds and are making fantastic progress. We are continuing to practise lots of Fred Talk and oral blending to support the children as they prepare for their early reading journey.

In maths, we have been exploring how the same number can be represented in different ways, such as 3 dots, 3 cubes or 3 claps. We have also introduced the concept of zero and continued to develop our super subitising skills, helping the children to recognise quantities quickly and confidently.

A definite highlight of the week was our visit from the Fire Service, as well as learning about the important role of a radiographer. We are continuing our topic on People Who Help Us next week and are looking forward to welcoming some more exciting visitors into school.

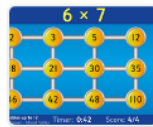

We can hardly believe that we are nearly at the end of our first half term! We are incredibly proud of the progress the children have made, the friendships that are blossoming, and how settled and confident they have become in their new school environment. Well done, Pufflings and Cygnets! 🌟

Goldfinches and Woodpeckers

What a wonderful week we have had in Year 1!

This week marked our final visit to the woodlands. The children had a fantastic time toasting marshmallows around the fire and enjoyed reflecting on all the exciting learning and adventures they have experienced during our woodland sessions this term.

In Maths, we have completed our unit on Numbers to 10, focusing on part-whole models and understanding how numbers can be split into different parts. The children have worked incredibly hard and made great progress. To continue practising number bonds to 10 at home, we recommend using the Hit the Button game: <https://www.topmarks.co.uk/maths-games/hit-the-button>

Hit the Button - Quick fire maths practise for 6-...
Quick fire questions on number bonds, doubles, halves,
times tables, division facts and square numbers against th...
www.topmarks.co.uk

In Whole Class Reading, we have begun exploring our new text, Oi Frog!. The children enjoyed studying the front cover and making predictions about what they think the story might be about. We are looking forward to reading more of this fun book next week.

In PSHE, we discussed our classroom rules and talked about how our actions can have consequences. The children shared some thoughtful ideas and demonstrated a good understanding of how positive choices help everyone to learn and feel happy and safe.

We are also very proud of the children for their efforts in their recent phonics assessments. They have all worked extremely hard and have made excellent progress. Please continue to practise their phonics sounds at home, whilst also focusing on reading fluently and increasing reading speed. Remember, children should aim to read at least 5 times each week if possible. Regular reading practice really does make a huge difference to their confidence and progress.

Thank you for your continued support. We hope you have a lovely weekend!

Owls and Robins

This week in literacy, we have completed our hot writes. The children have written a letter where they focused on giving advice to Tom (our character) about visiting the jungle. They have been using apostrophes for possession as well as adverbs. We have been really pleased with how the children have tried to stretch their sentences by using conjunctions too.

In maths, we have continued to focus on addition and subtraction. In particular, we have looked at adding where we bridge over the 10. We have been using number bonds to 10 to support us. For examples, $8 + 6$. We have encouraged $8 + 2$ so this makes 10 and then adding the remaining 4. We have set some purple mash work this week that supports quick recall of bonds to 10.

In RE, we have finished our unit on kindness. We discussed how Christians show kindness but how we also show it during our daily lives. In PSHE, we have taken some time to explore our brains in My Happy Mind. We are learning how our brain develops through experiences. In history, the children decided whether they would prefer to go to school in the past or today. It was a unanimous vote for modern day education! We have been enjoying completing personal challenges in PE. During science, we completed our end of unit quiz for materials. The children can discuss the properties of different materials such as strong or flexible.

It has been great to see the children demonstrate what they have learn this week. They are showing that they have listened carefully during teaching time and an talk about this half terms wok. Well done Year 2! You've had a fantastic week!

Sandpipers and Moorhens

What a wonderful week we have had in Year 3!

In Literacy, we have now completed our *Iron Man* trap explanation texts. The children have worked incredibly hard throughout this unit, carefully developing their writing skills and applying everything they have learnt. We have been particularly impressed with the fantastic improvements in presentation and handwriting, as well as the effort the children have put into producing their very best work.

In Maths, we have continued our learning on addition and subtraction with exchanges. The children have shown great determination when tackling more challenging calculations and have particularly enjoyed using Base 10 equipment to help deepen their understanding and solve problems practically.

In History, Science and RE, the children have completed their end-of-unit assessments, providing an opportunity to consolidate and showcase everything they have learnt this half term. Their enthusiasm for learning has really shone through, and they have thoroughly enjoyed exploring our Autumn 1 topics. In History, we learnt about the Stone Age, while in Science we investigated the human body and animals, developing our knowledge and understanding through a range of engaging activities.

In DT, we have begun our exciting new packaging project. The children thoroughly enjoyed investigating and taking apart different examples of product packaging to explore how 3D shapes can be unfolded into nets. They have now started designing their own packaging and are looking forward to creating a final product for a healthy snack over the coming weeks.

Thank you for your continued support. We hope you have a lovely weekend!

Kingfishers and Lapwings

It has been great to see Year 4 applying everything they have learnt in their writing this week as the children complete their own newspapers. We have seen some fantastic journalistic writing and creativity!

In maths we have focused on subtraction with exchanges and then begun to look at efficient strategies for calculations. There has been a lot of resilience and concentration seen in lessons.

This week the children have enjoyed some Rock and Roll in music! I'm sure they would love to show you the hand jive if you ask them!

In art we have looked at creating tone and texture through different shading techniques as well as how composition impacts your final artwork. They have then designed their own collages using wrappers from food items in the style of the artist Beatriz Milhaze.

We have also had a focus on active listening this week and we can see the children are really trying to develop this skill. Engagement in lessons has been brilliant!

Well done for another great week. Have a lovely weekend.

Kestrels and Red Kites

Another fantastic but busy week in Year 5! Here is a look at what we have been learning...

In English, we have been exploring the key features of a formal log. The children have practiced using relative clauses, relative pronouns, technical vocabulary, and parentheses to add clear, precise detail. We are really proud of their progress and can't wait to share their final pieces of writing with you once they are complete.

In Maths, we wrapped up our unit on addition and subtraction. We finished by tackling one- and two-step word problems, missing-number puzzles, and comparison questions. Next week, we will begin our unit on multiplication and division, where the children's hard work on their times tables will certainly come in handy!

In Science, we concluded our unit on Earth and Space. We finalised our findings from our shadow investigation to demonstrate how the Earth rotates on its axis. Tracking our measurements throughout the day proved slightly tricky with the cloud cover, but the children persevered and gathered enough data to see how the Sun's position causes shadows to change length and direction over time.

In RE, we explored how followers of Sanatana Dharma (Hinduism) express commitment to their faith, and we reflected on how we demonstrate commitment to our own school values. Each child created a personal "commitment tree," focusing on kindness, respect, responsibility, belonging, aspiration, and self-belief.

We are very excited for our Viking Workshop next Tuesday! We cannot wait to see the children's fantastic costumes and dive into life as true Vikings. Practical days like this are so memorable for the children, and they simply wouldn't be possible without your wonderful support at home—thank you so much for all the effort that has gone into costumes and preparation.

PE Notice: Because of Tuesday's workshop, PE will take place on Friday afternoon (23.10.26) instead. Please ensure children come to school wearing their PE kit on Friday.

Have a wonderful weekend everyone!

Eagles and Hawks

Another busy week of learning has taken place in Year 6, with the children continuing to rise to the challenges of the curriculum and showcase their hard work and resilience.

In Maths, we have been developing our understanding of the order of operations using BODMAS, as well as applying a range of mental calculation strategies to solve problems efficiently. The children have impressed us with their growing confidence when tackling increasingly complex calculations.

In Literacy, the children have been working on their hot task, writing an explanation text about how either an iguana or a giant tortoise is adapted to survive and thrive in its environment. They have worked hard to use scientific vocabulary, clear organisation and detailed explanations to demonstrate their understanding of adaptation.

Our Science lessons have focused on the theory of evolution, using horses as a case study to explore how species can change over millions of years. The children were fascinated to learn how the ancestors of modern horses looked very different and how adaptations helped them survive as their environments changed over time.

We are looking forward to next week, when the children will be completing their explanation texts and putting the finishing touches to some excellent pieces of writing during the final week of the half term.

Well done, Year 6, for another week of enthusiasm, determination and excellent learning!

Praise

Reception & Key Stage One

Class	Name	Reason
Pufflings	Avery	For always showing an enthusiasm for learning and having super manners.
Pufflings	Edison	For super effort and improvement with his morning name writing.
Cygnets	Jessica	For excellent carpet behaviour and answering questions. Well done!
Cygnets	Jude	For enjoys learning, participates well and thoughtful discussions. Well done!
Goldfinches	Dexter, Samira and Zia	For your amazing effort in phonics this half term. You have made fantastic progress and moved up two phonics groups!
Woodpeckers	Robin	For fantastic progress in phonics.
Woodpeckers	Chloe	For having a great attitude towards her learning this week
Owls	Darcey	For showing creativity in computing whilst using 2Paint – you made great patterns. Well done!
Owls	Ollie	For always embracing challenges in maths – you work so hard! Well done!
Robins	Gabe	For beautiful handwriting and presentation in Literacy.
Robins	Harry	For creating the best piece of creative writing so far in Year 2.
Robins	James	For all the effort he's put in to his Hot Write presentation.

Key Stage Two

Sandpipers	Poppy	For your fantastic attitude during maths lessons showing accurate exchanging with column addition. Well done.
Sandpipers	Elsie	For a fantastic and resilient attitude to column addition showing confidence and determination to succeed.
Moorhens	Freyah	For demonstrating outstanding independence and determination during our <i>Iron Man</i> Hot Write, producing a fantastic piece of writing with creativity, focus and excellent effort throughout.
Moorhens	Hettie	For an excellent <i>Iron Man</i> Hot Write completed with great independence. Your handwriting has improved enormously and is now presented to an exceptionally high standard.
Kingfishers	India	For excellent determination and resilience in maths this week.
Kingfishers	Ava	For brilliant active listening skills and contributions to class.
Lapwings	Grace	For aspirational work in Art!
Lapwings	Emilia	For being a kind friend to others!
Kestrels	Nyla	For an amazing history Viking saga-fabulous illustrations and embellishments!
Kestrels	Sophie	For a fantastic effort and quiet enthusiasm in everything she does.
Red Kites	Saffi	For always showing an aspirational attitude in Maths, for listening carefully and fully immersing herself in every lesson to achieve her full mathematical potential!
Red Kites	Felicity	For being a kind friend to everyone and supporting other with their learning, or at break and lunchtimes, and really embodying the values of no outsiders and showing kindness and respect to others.
Hawks	Astrid	For consistently demonstrating the Wheelock behaviours and always trying her best in everything she does.
Hawks	Teddy	For always being respectful and responsible. Teddy is a fantastic role model and a valued member of Hawks' class.
Eagles	Arnie	for fantastic effort in his Maths and Literacy work this week.
Eagles	Charlie	for displaying excellent calculation skills in Maths lessons.

The Hive

The children have had a lovely time at our Before and After School Club, enjoying opportunities to play together, build friendships and explore a variety of fun activities.

Indoors, the children have enjoyed sharing their LEGO building skills, using their creativity and imagination to construct all sorts of wonderful creations. The dressing-up area has been a great favourite, allowing the children to take on different roles and enjoy imaginative play together. We have also seen lots of lovely moments of the children colouring, sharing resources and chatting with their friends.

When outdoors, the children have made the most of the space by enjoying ball games and playing on the outdoor equipment. It has been wonderful to see them keeping active, working together and having fun in the fresh air.

As the seasons change and the weather becomes colder, we will be moving our outdoor activities into the school hall, where the children can continue to enjoy fun games, physical activities and opportunities to play together in a warm, welcoming environment.

We look forward to sharing lots more fun, laughter and happy memories with the children in the coming weeks!

FOWS NEWSLETTER

Christmas Fair – Save the Date!

Planning is already underway for our **FOWS Christmas Fair!**

Thursday 10th December 2026

We're busy putting together plans to make this year's fair a fantastic festive event for our children, families and school community. More information will be coming soon, so keep an eye out!

Rainbow Raffle is coming!

We're excited to be launching our **Rainbow Raffle** again!

To help us create our colourful class hampers, we'll be holding a:

Non-Uniform Day

Friday 20th November 2026

Children are invited to come to school in **non-uniform** and bring along a **coloured donation for their class hamper**.

Each class will be given a colour, and we'll share the class colours and some donation ideas nearer the time.

The donated goodies will be used to create our fantastic **Rainbow Raffle hampers** for the Christmas Fair! 🎁

Next FOWS Meeting

Our next meeting will be:

 **Thursday 12th November 2026**

 **7:30–8:00pm start**

 **Barchetta Restaurant, Wheelock**

New members are always welcome!

There's absolutely no pressure to attend every meeting. Whether you can help regularly or just occasionally at events, we'd love to have you involved.

Thank you for continuing to support **Friends of Wheelock School (FOWS)**. Every bit of support helps us raise money and create some brilliant experiences for our children and school. 💛

We hope to see you soon!

Friends of Wheelock School (FOWS)

RAINBOW RAFFLE

Non-uniform day – Friday 20th November
Please bring in a coloured donation
for your class hamper:

CLASS	HAMPER COLOUR
Reception	Purple
Year 1	Blue
year 2	Green
Year 3	Yellow
Year 4	Orange
Year 5	Red
Year 6	Sparkle! (White/gold/silver)

Safeguarding and Parenting Support

You Are Not Alone - A supportive community for parents and carers

You Are Not Alone is an online support service for parents and carers who have a child diagnosed (or suspected) with autism and/or PDA. They are offering a **whole month free** access to a warm, understanding community for parents and carers seeking support, connection and practical guidance. This safe, welcoming space offers help with meltdowns, emotional regulation, education and everyday challenges, right from the start.

You'll have full access to weekly live dropins, a rich library of videos, articles and podcasts, and a supportive WhatsApp group to connect throughout the week. Even one month of steady support can help you feel less isolated, more confident, and better equipped to advocate for your child.

Follow the link for further information <https://www.youarenotalone.community/>

Free School Meals

Please find below the link to apply for Free School Meals. If you do qualify for this it covers lots more than just the school meals therefore it may be worth taking a look.

https://www.cheshireeast.gov.uk/schools/school-meals/free_school_meals.aspx

School years - Year 1 & Year 2	6:15pm - 7:00pm
School years - Year 3 & Year 4	7:00pm - 7:45pm
School years - Year 5 & Year 6	7:45pm - 8:30pm

Dear parents,
Places are now available to join a new 12-week football course every Monday at The Oaks Academy, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football', building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.67 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

NEW TOURNAMENT FORMAT

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone:

Henry
0151 363 6503 or 07514 316534
www.firstkick.co.uk

We cannot guarantee that the course will run in consecutive weeks
Please note we have a strict no refund policy once the course has been booked
