## Pupil Achievement

A huge well done to Evie Wain in Goldfinches this week. Evie has donated her long blonde hair to the Little Princess Trust. This is a beautiful and generous thing to do and we are all so proud of

Evie. I'm sure you will all agree that her new hairstyle is amazing and makes her look so grown up. Further information about the Little Princess Trust can be found here: [Little Princess Trust](#)

Five Year 2 pupils Mason, Poppy, Toby, Autumn & Isaac attended their end of season U7s Sandbach United football presentation over the weekend, along with picking up an award each for being part of the team this season they also all got chosen for additional awards for their extra talent in different areas within a team of around 25 other players.

### **Cygnets and Pufflings**

What a wonderful final week we've had in Reception, filled with celebration, laughter, and pride as we reflected on all the amazing achievements of the year. It's been a joy to see how much the children have grown—developing confidence in communication, building strong friendships, and showing real curiosity in the world around them. From learning to read and write simple sentences to exploring numbers beyond 10 and understanding more about our environment and community, every child has made fantastic progress. Thank you for all your support this year. We wish you all a restful, happy summer holiday—see you in September!

### **Goldfinches and Woodpeckers**

As we come to the end of a fabulous year in Goldfinches and Woodpeckers, Mrs French, Miss Joyce, Miss Campbell and Miss Peel would like to thank all our parents and carers for their on-going support this year. The children have all made tremendous progress due to their hard work and superb attitude to learning.

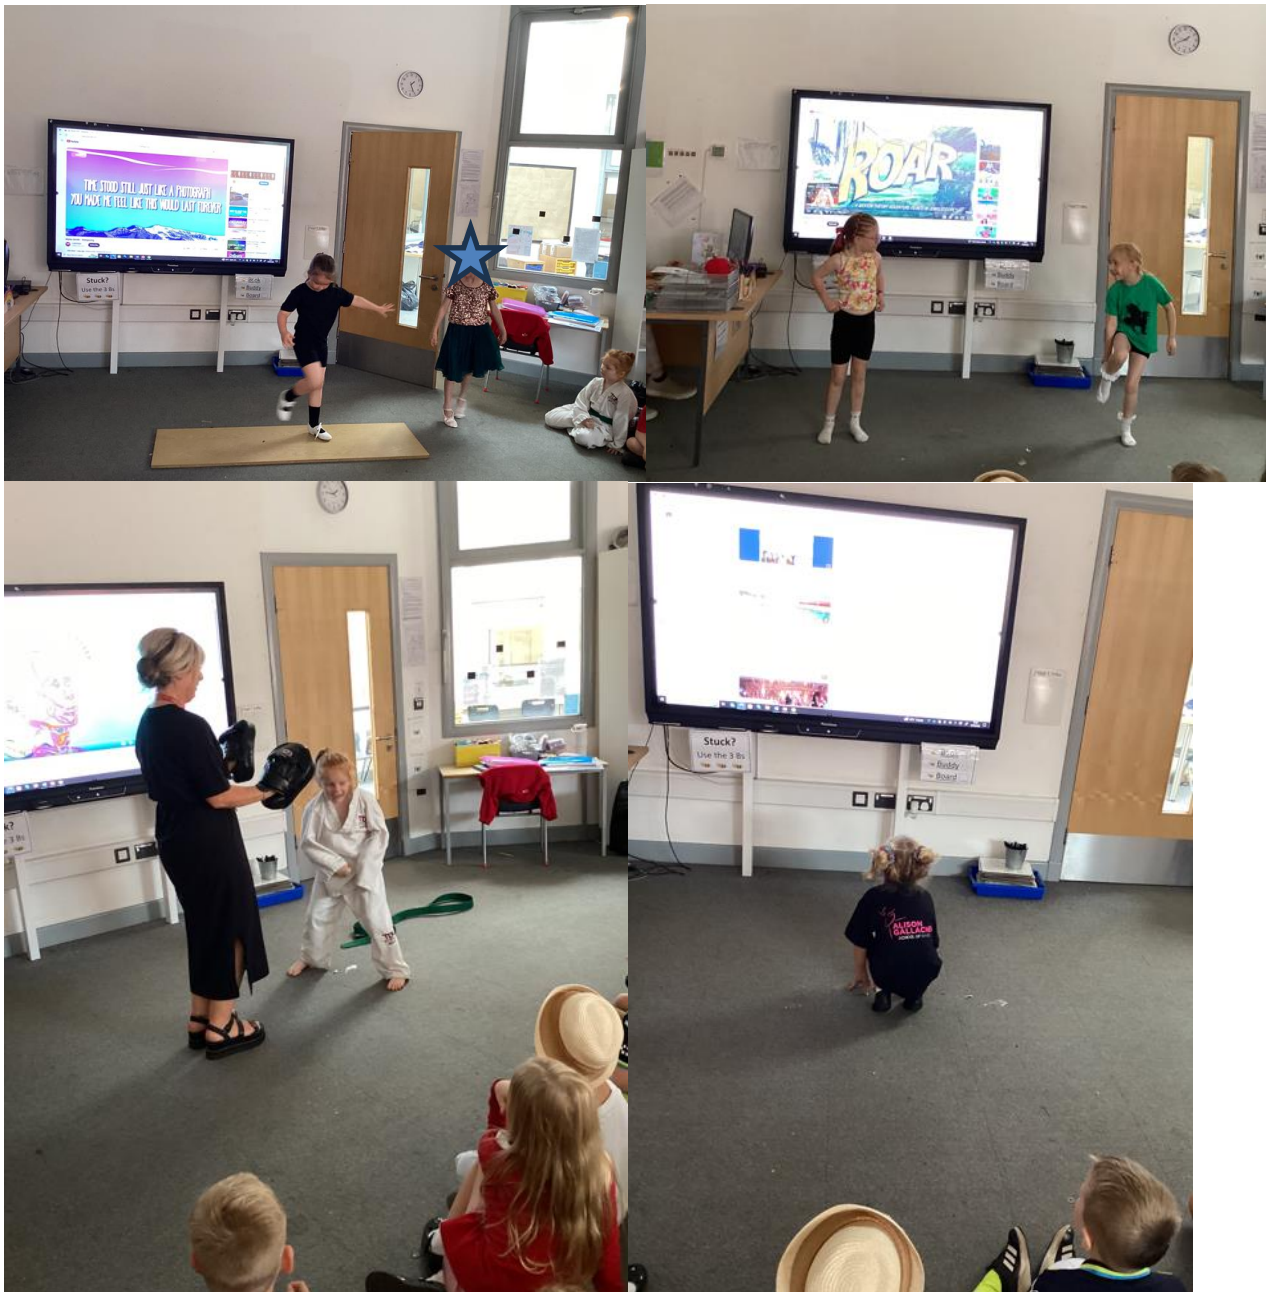

This week we have completed our final piece of writing - writing a disgusting recipe for a 'bear cake'. This was a great opportunity for the children to use some interesting adjectives and bossy verbs and they have all done so well.

In geography we have compared features of Sandbach with those in Shanghai. The children have drawn some great window views and decided which location they would prefer to live in.

Year 1 shared their amazing talents on Thursday for 'Wheelock's got Talent'. Well done to all our performers - It was a difficult task to sort out the winners and it was great to see so much confidence.

Have a lovely Summer everyone.

Year One Has Talent

## Owls and Robins

It has been a fantastic final week in Year 2! We are so proud of all the children have achieved this year and it's been a pleasure teaching them! This week we have done lots of 'finishing off!' We completed some cross-curricular writing in Literacy, where the children wrote fact-files about castles - they were fantastic! In Maths, we looked at statistics and were very impressed with the children's knowledge and understanding. We have had some time in pshe thinking about how to be 'sun-safe' during the holidays. Finally, in DT we made moving-monsters! We wish all of Owls & Robins a wonderful summer! Thank you for being amazing!!

### **Sandpipers and Moorhens**

We have had a fantastic year in Year 3. Our favourite things we have learnt have been everything we have made in design and technology, particularly this week when we got to play with lots of old technology such as a SEGA mega drive! We have also enjoyed our art units this year, where we have made cave paints, Egyptian scrolls and practised our drawing skills. We feel we have all improved our reading and writing this year. We have worked extremely hard and are very proud of ourselves. Most of all we have enjoyed spending time with our friends together. In year 4, we are looking forward to getting to know our new teachers and making new friendships. Well done year 3 on a fantastic year!

### **Kingfishers and Lapwings**

This week, our final week in year 4, has been a wonderful ending to the year. The children wrote their newspaper reports about our book, 'Into the forest' where the father goes missing. They were very good at using investigative language to create a mysterious atmosphere. In maths, we have been looking at statistics and different types of graph learning how to read, write and interpret them. We have spent a lot of time having fun together in our last week as Kingfishers and Lapwings and saying goodbye to the children and members of staff who are leaving. We hope that you enjoyed reading the children's report and we want to thank you and them for their hard work and support this year. Have a wonderful summer!

### **Eagles, Hawks and Kestrels**

What a final week!

This week, Year 6 performed their leaver's assembly to the rest of the school and their parents. It was full of laughs and, in places, it was very realistic! They did a wonderful job and we were so proud of them.

The Year 6 children also had their final sports day at Sandbach Cricket Club. In true sports day fashion, it rained! However, no one was bothered by a bit of rain. The children ploughed on and competed against their friends. We overheard one child say it was the best sports day ever!

We have watched the children play games, reminisce and enjoy being in each other's company. It has been so wonderful to see them laugh and play for the last time together.

For our Year 5's, we hope you have a wonderful summer and come back ready for Year 6 in September. We have no doubt that you will make a fantastic Year 6. You've shown that you are more than ready by writing your buddies lovely letters. Thank you for an amazing year!

For our Year 6's. We have taught you for two years and it has been a pleasure. You've made us laugh on so many occasions. You've been amazing and we will miss you. We hope that you have the best summer and start Year 7 like you've finished Year 6 - brilliantly! Keep shining bright!

Have a great summer! It is well deserved!

## **Praise**

## The Hive

The children in the Hive this week have embraced their last week with their friends, playing games of Hide and Seek, shops, and as ever playing with the digger trucks.

It has been a true pleasure watching the children grow and play with their peers building new friendships across the school.

Thank you to our Year Six team for their help and supporting the younger children with their play. We would like to wish you all good luck for your next steps in your learning journey and look forward to hearing about your successes.

As a team we would like to thank you all for your support and understanding over the year and would like to wish you all a happy and safe Summer Holiday.

## FOWS NEWSLETTER

End of year Newsletter from Friends of Wheelock School

As we wrap up another school year, we want to say a heartfelt thank you for your incredible support. Whether you donated prizes, baked cakes, bought raffle tickets, or simply showed up with a smile, your contribution has made a real difference.

This year, together we've hosted a brilliant Christmas Fair, a lively Chocolate Bingo, and a sunny, fun-filled Summer Fair. All were fantastically well attended, and it was wonderful to see the school community come together to enjoy them. We always welcome your feedback on these events – your ideas help us make things even better.

Behind the scenes, our small but dedicated PTA team has worked hard to make these events happen – while juggling work, family life and everything in between. We'd love to do more next year: think film nights, school discos, and other exciting extras – but to make that happen, we need more hands. If you'd like to see more events for the children, please consider joining the PTA. Even a small commitment makes a big difference.

We'll be holding our AGM on Friday 5th September at 7pm at Barchetta, and everyone is welcome! It's always a fun, relaxed evening – we just ask that you let us know if you're coming so we can pop your food order in.

Our first official meeting of the new school year will follow in the first week of October – keep an eye out for the date.

We're incredibly proud of what we've achieved this year, thanks to your support. From funding a high-energy rock assembly to providing woodland equipment and most significantly, funding a private counselling service from Swans for our pupils – these are things the school simply couldn't have done without FOWS and your support. Already, the impact is being felt across the whole school community.

Thank you once again, and wishing you all a joyful and restful summer.

With gratitude,  
The Friends of Wheelock School Team
