Donation to Gardening Club

Gardening club would like to say a huge thank you to **Waitrose in Sandbach** for their kind donation of plants. We enjoyed planting them in place of our sunflowers in one of the raised beds by the field on Monday afternoon. We are very excited to see them grow and flower next spring and summer time!

Pupil Premium – Are You Eligible?

WHEELOCK PRIMARY SCHOOL
PUPIL PREMIUM
Extra funding to help every eligible child thrive.

Supporting every child to achieve their potential

Aspire
Respect
Responsibility

WHAT IS PUPIL PREMIUM?
Pupil Premium is extra money paid to school for eligible children. It does not affect your benefits and is not paid directly to families.

WHY IT MATTERS
This additional funding helps us to:

- Provide targeted teaching and interventions
- Support children's wellbeing and mental health
- Offer a wider variety of clubs, trips and experiences
- Provide books and learning resources to support progress

OUR PUPIL PREMIUM STATISTICS
At Wheelock Primary School (September 2026):

- 53 pupils receive Pupil Premium funding (13% of our school).
- 43% of our Pupil Premium children are also SEND.
- 13% of our Pupil Premium children are looked after by a local authority (LAC/PLAC).
- 8% of our Pupil Premium children are service children.
- 12% of our school are in receipt of Free School Meals (FSM) (targeted and enhanced).

FREE SCHOOL MEALS UPDATE
From September 2026, all households receiving Universal Credit can apply.

HOW TO APPLY

- 1 Go to the Cheshire East Parent Portal using the website below.
- 2 Complete the online form.
- 3 It only takes a few minutes.

Apply for Pupil Premium Funding at:
www.cheshireeast.gov.uk/schools/school-meals/free-school-meals.aspx

You still need to apply.

Together we can make a big difference!

★ Aspire ♥ Respect ★ Responsibility

Brighter Futures Together

Harvest Collection

This year we are supporting our local food bank to collect donations. This is linked to our Harvest celebration in school and links well to our school values; believe, belong and be kind.

We will start collecting the donations from today and send donations to the food bank by the half term holidays.

Please send any donations in with your child or to the main office.

Thanks again

Mrs Davenport

Sports News

Our Year 5/6 football team got their tournament off to a fantastic start, winning one game, drawing one and narrowly losing one. All of the matches were very close, and the children showed great passion, energy and teamwork throughout. Most importantly, they represented our school brilliantly with excellent sportsmanship and positive attitudes. Well done, everyone! 🏈👏🏆

Class News

Cygnets and Pufflings

What another fantastic week we have had in Reception!

In Phonics, we have now learnt over half of our single letter sounds and the children continue to impress us with their improving Fred Talk and oral blending skills.

Our Drawing Club adventures have been based on the story *Goldilocks and the Three Bears*. We have enjoyed drawing maps to help us find Goldilocks and using our imaginations to think about where she might be hiding!

In Maths, we were introduced to our first Dotlings story at Countingdon Castle. Our focus has been on subitising 1, 2 and 3. The children now understand that subitising means knowing how many there are without having to count them one by one.

Our topic work has explored Autumn and the changes we can observe around us. This inspired some lovely autumnal crafts, including leaf printing and leaf rubbing, which the children thoroughly enjoyed.

In PSHE, we have been learning about using gentle hands and the importance of being kind to one another. We discussed how it is okay to use our voice and say, *"Please stop, I don't like it"* if someone is doing something that we don't like.

Well done for another super week, Pufflings and Cygnets! We are so proud of all your hard work and enthusiasm. Have a wonderful weekend!

Goldfinches and Woodpeckers

What a busy and exciting week we have had in Year 1!

Our highlight of the week has been Forest School, where we have continued our weaving project. The children have loved exploring the environment and getting creative.

In Whole Class Read, we used our imaginations to look through a magical keyhole into the story Not Now, Bernard. The children drew pictures of what they thought they could see beyond the keyhole and shared some fantastic ideas.

In Maths, we have started our new unit on partitioning numbers to 10, learning about parts and wholes and exploring different ways numbers can be split.

In Literacy, we have been finishing our retelling of Old Bear. The children have worked incredibly hard to remember their capital letters, finger spaces and full stops in their writing.

In PE, we have continued our football unit, focusing on controlling the ball with our feet and developing our dribbling skills.

The children continue to work hard in Phonics every day. A gentle reminder that children should be reading their phonics books regularly at home, even if they are also reading other books. These books are carefully matched to the phonics learning taking place in school and are vital for supporting progress.

To finish the week, the children thoroughly enjoyed Break the Rules Day and had lots of fun taking part in the special activities!

Well done, Year 1, for another fantastic week of learning! ★📖⚽

Owls and Robins

This week in literacy, we have been looking at 'A River' and vocabulary linked to letter writing. We have explored what each paragraph in our WAGOLL is about as well as looked at the dangers some may face whilst visiting the jungle or the mangroves in the story.

In maths, we have completed our unit on place value. The children have been counting in 2s, 5s, 10s and 3s this week. We have used a range of songs to help us to count up. The children have worked hard to remember the sequences.

In RE, we explored who, out of the people we have learnt about, would be easy to forgive and who showed kindness to others. In art, we drew teddy bears and thought about shading and how to draw things with tone. In history, we drew what classrooms looked like 100 years ago and compared them to classrooms today. During PSHE, we looked at our school behaviours and values and how we follow these in school. We discussed how we have a responsibility to follow these. In science, we used the story of Humpty Dumpty to test

materials for protection. We dropped eggs wrapped in different materials to see what would protect the egg the most. In computing, we continued to explore paint on purple mash. Owls have enjoyed reading *The Invisible* whilst Robins have read *The Proudest Blue* during WCR. We will swap books next week. In science, we wrapped eggs in 3 different materials and dropped them as if they were Humpty Dumpty falling off the wall. All of the eggs cracked but bubble wrap gave Humpty the best protection. The children loved this investigation!

We have had an extremely hard working week – we are really proud of the progress that the children have made. Well done Year 2 – have a great weekend!

Sandpipers and Moorhens

What a busy and exciting week we have and again in Year 3!

This week in Literacy, the children have begun our second Autumn unit based on *The Iron Man*. They have thoroughly enjoyed exploring trap explanations through creating detailed diagrams and taking part in role-play activities. These experiences have helped the children develop their understanding of how explanations are structured and will prepare them well for writing their own explanation texts over the coming weeks.

In Maths, we have started our Addition unit, focusing on adding numbers within hundreds. The children have been developing their understanding of exchanging and are becoming increasingly confident when regrouping from the tens column into the hundreds column to solve more challenging calculations.

In History, we have continued our learning about the Neolithic period, with a particular focus on the Stone Age. The children compared hunting methods and tools used during the Stone Age and Bronze Age, considering how developments over time changed the way people lived and survived.

In Science, we have been deepening our understanding of the human body and have now started learning about animals. The children have been exploring the differences between vertebrates and invertebrates and are beginning to classify animals based on their characteristics.

Another fantastic week in Year 3! We are incredibly proud of the enthusiasm, effort, and resilience the children continue to show in their learning. Have a wonderful weekend! 😊

Kingfishers and Lapwings

This week in Literacy the children have completed their hot write, a setting narrative based on our text *The Whale*. We have seen some excellent descriptive writing to build a sense of danger during a sea storm. In Maths we have completed our focus on Number and Place

Value and have moved on to Addition and Subtraction. We have started by adding 4-digit numbers with and without exchanging. In PSHE the children have concluded the unit by working in pairs to create a learning charter based on all of their learning over the last few weeks. In History we have looked at different diseases from the Victorian times and how they impacted life during these times. We have also started our Art until this week; the children have had to consider light and shade when drawing an object. We look forward to seeing their skills develop over the upcoming sessions. Another hard-working week in year 4. We are very proud of everything you have achieved so far! Have a fabulous weekend.

Kestrels and Red Kites

What a busy but amazing week we have had in Year 5!

This week, we welcomed Mrs Beckett to our Year 5 team. Hopefully, you've all had the chance to say hello; if not, do pop round to Kestrel's door to meet her.

In Literacy, we finished our hot write. The pieces of writing have been absolutely amazing, full of detail describing the journey Curiosity took as it made its way to the dusty red planet—Mars. The children really enjoyed putting themselves in the rover's position and thinking carefully about the sights, sounds, and emotions experienced by Curiosity. Well done everyone!

In Maths, we have been looking at mental and written strategies for addition and subtraction with numbers greater than 4 digits. Everyone remembered their previous learning of column addition and subtraction accurately—a great foundation for their homework this week!

In Science, we've been busy planning an investigation to prove that the Earth rotates on its axis to create day and night. We've had to identify which variables to keep the same and which to change, outline the steps for the investigation, and list the equipment we'll need. Fingers crossed for lovely, dry, sunny weather next week!

In Art, we've been imagining the future and how everyday life might look. We brainstormed lots of ideas, ranging from teleportation via portal rings to flying cars and robot helpers to clean our houses. Next week, we'll use some of these ideas to develop a repeating pattern for our final piece. We can't wait to see the finished results!

Even though it has been a busy week in Year 5, we have been so pleased with the children's resilience, creativity, and effort. Well done, Team 5!

Eagles and Hawks

Another hardworking week has flown by in Year 6, with the children showing fantastic perseverance and determination in all areas of their learning.

In Maths, we have been conquering column multiplication and the bus stop method for division. The children have demonstrated resilience when tackling increasingly challenging calculations and have worked hard to improve both their accuracy and confidence.

In Literacy, we have been exploring explanation texts linked to Charles Darwin's discoveries. The children have focused on organising information clearly and using cause-and-effect vocabulary to explain scientific ideas and discoveries effectively.

Our Science lessons were particularly hands-on this week as we investigated how finches have adapted their beaks to suit different food sources. Using a variety of tools, including tweezers, pegs and scissors to represent different beak types, the children explored which "beaks" were most successful at picking up different seeds. This practical investigation helped bring the concept of adaptation to life.

In History, we learned about the Suffragette movement and created timelines to show the key events in the fight for women's right to vote. The children enjoyed discovering how determined campaigners helped bring about significant social change.

The week finished with plenty of smiles as the children brought in a variety of soft toys for Break the Rules Day. It was wonderful to see their personalities shining through, and some of the cuddly companions certainly proved very popular!

Well done, Year 6, for another fantastic week of hard work, enthusiasm and determination. Keep up the excellent effort!

Praise

Reception & Key Stage One

Class	Name	Reason
Pufflings	Joni	For always coming to school with a smile and being a kind friend.
Pufflings	Albie	For working hard in Phonics and super 'Fred talk'.
Cygnets	Jasper	For being very helpful at tidy up time.
Cygnets	Grace	For helping her friends and being very helpful at tidy up time.
Goldfinches	Benjamin	For being an enthusiastic and engaged learner.
Goldfinches	Evelyn	For always trying her hardest with her learning.
Woodpeckers	Aariya	For your confidence and enthusiasm in phonics. You know the routines well, join in brilliantly and are always ready to learn.
Woodpeckers	Iyla	For starting each day with a positive attitude and a big smile this week. It has been wonderful to see you coming into school ready to learn and giving your best effort.
Owls	Isla	For working really hard to be focused and try her best at all times. You've had a wonderful week- I am so proud! Well done!
Owls	Charlie	For trying really hard with his artwork and even doing some extra practice in the Hive. Well done!
Robins	Theo	For showing increasing independence in getting himself ready to learn.
Robins	Jasper	For his great contributions during whole class read.

Key Stage Two

Sandpipers	Oliver	For showing a really positive attitude whilst exploring exchanging.
Sandpipers	Rowan	For using super examples of expanded noun phrases in his approaching threat narrative.
Moorhens	Clara	For always demonstrating excellent active listening skills within the classroom.
Moorhens	Freddie	For excellent effort in Literacy, producing a fantastic first hot write narrative.
Kingfishers	George	For always demonstrating excellent active listening skills within the classroom.
Kingfishers	Layla	For always demonstrating excellent active listening skills within the classroom.
Lapwings	Ada	For always aspiring to achieve her best, giving 100% effort, embracing every learning opportunity, and being a kind friend!
Lapwings	Harrison	For excellent effort in Literacy, producing a fantastic piece of writing, and for showing resilience when tackling challenging Maths work!
Kestrels	Ibrahim	for always being a lovely friend to others and maintaining a level of focus and enthusiasm for learning that has been exemplary.
Kestrels	Martha	For a fabulous hot write narrative based on Curiosity's journey to Mars - such amazing use of vocabulary to engage the reader.
Red Kites	Edith & Amber	For really applying themselves in all of our lessons this week, working really hard to answer questions, to join in with the class learning and really supporting their whole table to achieve, and be the best that they can be! They have both been exceptionally supportive and kind to their table partners, really embodying our Wheelock Values. Well done girls!
Hawks	Hollie	For making mature decisions in your learning this week. I can see how hard you've been trying, and your positive attitude is really paying off. Well done!
Hawks	Harley	For an excellent narrative based on Charles Darwin's exploration of the Cocos Islands in his hot write. Well done, Harley!
Eagles	Gabriela	For always aspiring to produce her best work in all lessons.
Eagles	Billie	For excellent teamwork and cooperation with others.

The Hive

The children have had a lovely time at the Hive! They have been constructing and creating in the Lego and Stickle Brick area, as well as enjoying sharing stories together in our cosy reading corner.

There has been lots of fun and imagination in the dressing-up area, with the children creating their own characters and stories. We have also enjoyed plenty of outdoor play, keeping active and having fun together.

The children have been getting creative too, making new pictures and artwork for our fantastic new 'Wow Board' display. We are excited to see everyone's wonderful creations on display!

FOWS NEWSLETTER

Friends of Wheelock School (FOWS) Newsletter

[A great start to the new school year!](#)

It was wonderful to have our **first FOWS meeting of the new school year** and especially lovely to see some **new members joining us!** 

Thank you to everyone who came along, shared ideas and got involved. We're looking forward to another fun and busy year of fundraising and events for our school.

[Christmas Fair – Save the Date!](#)

Planning is already underway for our **FOWS Christmas Fair!**

Thursday 10th December 2026

We're busy putting together plans to make this year's fair a fantastic festive event for our children, families and school community. More information will be coming soon, so keep an eye out!

[Rainbow Raffle is coming!](#)

We're excited to be launching our **Rainbow Raffle** again!

To help us create our colourful class hampers, we'll be holding a:

[Non-Uniform Day](#)

Friday 20th November 2026

Children are invited to come to school in **non-uniform** and bring along a **coloured donation for their class hamper**.

Each class will be given a colour, and we'll share the class colours and some donation ideas nearer the time.

The donated goodies will be used to create our fantastic **Rainbow Raffle hampers** for the Christmas Fair! 🎁

Next FOWS Meeting

Our next meeting will be:

 **Thursday 12th November 2026**

 **7:30–8:00pm start**

 **Barchetta Restaurant, Wheelock**

New members are always welcome!

There's absolutely no pressure to attend every meeting. Whether you can help regularly or just occasionally at events, we'd love to have you involved.

Thank you for continuing to support **Friends of Wheelock School (FOWS)**. Every bit of support helps us raise money and create some brilliant experiences for our children and school. 💛

We hope to see you soon!

Friends of Wheelock School (FOWS)

Safeguarding and Parenting Support

You Are Not Alone - A supportive community for parents and carers

You Are Not Alone is an online support service for parents and carers who have a child diagnosed (or suspected) with autism and/or PDA. They are offering a **whole month free** access to a warm, understanding community for parents and carers seeking support, connection and practical guidance. This safe, welcoming space offers help with meltdowns, emotional regulation, education and everyday challenges, right from the start.

You'll have full access to weekly live dropins, a rich library of videos, articles and podcasts, and a supportive WhatsApp group to connect throughout the week. Even one month of steady support can help you feel less isolated, more confident, and better equipped to advocate for your child.

Follow the link for further information <https://www.youarenotalone.community/>

Free School Meals

Please find below the link to apply for Free School Meals. If you do qualify for this it covers lots more than just the school meals therefore it may be worth taking a look.

Crewe Football Development

At The Oaks Academy (Sports Hall)
Buchan Grove, Crewe, CW2 7NQ
Starting on Monday 28th September 2026
In association with First Kick Football

School years - Reception & Year 1	5:30pm - 6:15pm
School years - Year 1 & Year 2	6:15pm - 7:00pm
School years - Year 3 & Year 4	7:00pm - 7:45pm
School years - Year 5 & Year 6	7:45pm - 8:30pm

Dear parents,
Places are now available to join a new 12-week football course every Monday at The Oaks Academy, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football', building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.67 per week, which is payable in two instalments. The first payment of £30 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

NEW TOURNAMENT FORMAT

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone:

Henry
0151 363 6503 or 07514 316534
www.firstkick.co.uk

We cannot guarantee that the course will run in consecutive weeks
Please note we have a strict no refund policy once the course has been booked

Pharmacists can now provide treatment or some prescription medicine, if needed, for seven common conditions, without having to see a GP.

Each condition is subject to age eligibility when providing prescription medicine:

Condition	Age eligibility
UTI	16-64 years
Sinusitis	12 years and over
Earache	1-17 years
Sore throat	5 years and over
Shingles	18 years and over
Impetigo	1 year and over
Infected Insect Bite	1 year and over
