Maths	Mastering Number programme	number from their home and nurserycounenvironments, and further develop theirwithsubitising and counting skills. We will exploretwo sthe composition of numbers within 5. Theygrou		We will continue to develop their subitising and counting skills and explore the composition of numbers within and beyond 5. We will begin to identify when two sets are equal or unequal and connect two equal groups to doubles. We will begin to connect quantities to numerals.		We will consolidate their counting skills, counting to larger numbers and developing a wider range of counting strategies. We will secure knowledge of number facts through varied practice.		
	White Rose	Block 1 – Match, sort and compare Block 2 – Talk about measure and pattern Block 4 – Circles and triangles Block 6 – Shapes with 4 sides		Block 8 – Mass and capacity Block 10 – Length, height and time Block 12 – Explore 3D shapes		Block 14 – How many now? Block 15 – Compose & decompose Block 16 – Sharing and grouping Block 17 – Visualise, build and map Block 18 – Make connections		
l Development	Across the curriculum	supported to recogni for what we want an and manage perso	Strong, warm and supportive relationships with adults in our setting enable us to learn how to understand our own feelings and those of others. We are supported to recognise and manage emotions, develop a positive sense of self, set ourselves simple goals, have confidence in our own abilities, to persist and wait for what we want and direct attention as necessary. Through adult modelling and guidance, we will learn how to look after our bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, we will learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which we can achieve at school and in later life.					
Personal, Social and Emotional Development	Jigsaw PSHE	Respectful friendships. What would life be like if we all liked the same things? Is it ok to be different?	Being Me in My world Respectful friendships/being safe How can we make other people feel welcome?	Dreams and Goals Mental Well-being What does it mean to feel proud?	Healthy Me Physical health and fitness / healthy eating. How do we stay healthy and safe?	Relationships Caring friendships / families. How do we stop ourselves from being lonely?	Changing me Changing bodies / caring friendships. How do we feel when changes happen?

Physical development

Wheelock Primary School Reception Long term plan

Across the year we will:

٠	Develop overall body strength,	co-ordination, balance,	and agility to support	lessons in dance, gymnastics	and sport.
---	--------------------------------	-------------------------	------------------------	------------------------------	------------

- Develop fine motor skills to use a range of tools safely and confidently.
- Always have access to pencils, paintbrushes, scissors, knives, forks, and a spoon.
- Develop a good posture when sitting at a table (classroom and dinner times)
 - D<mark>eve</mark>lop a good pencil grip ready for Year 1 writing expectations.

and begin some wa ourselve	c body parts to describe uys to keep es healthy oral hygiene).	Recognise that people have different beliefs and celebrate special times in different ways. Explore a variety of everyday materials through play; including wood, plastic, glass, metal, water and paper. Begin to understand what recycle means and why we should do it.	Describe an animal using some scientific vocabulary. Understand that animals live in different habitats. Develop a basic understanding of some habitats. Describe some simple changes that happen in Winter.	Begin to understand human life cycles and how we grow and change. Describe simple differences on how they look now and how they will look when they are older. Describe some simple changes that happen in Spring.	Recognise that some lifecycles are different to the human lifecycle.	Compare and sort animals based on where they live. Describe some animal body parts. Understand that animals are suited to their habitat. Describe some simple changes that happen in Summer.
Throughout the year we will work through the agreed school syllabus for R.E. They will learn about different religions, views and values through special places, books, people and objects and although through school visits to places of worship. R.E will be taught through stories and practical activities and children will explore religion through discussion points where they will have the chance to express their own feelings and experiences of religion. The subject 'R.E – Religious Education, links to the EYFS curriculum through PSED AND UTW.
