16th July 2020

Dear Parents and Carers

REOPENING OF SCHOOL TO ALL CHILDREN – SEPTEMBER 2020 (and this week's communications)

At last, I can confirm that we will be welcoming everyone in Year 1 – Year 6 back to school on Wednesday 2nd September 2020.

Things will be a bit different but some positive changes made compared to the hubs and bubbles we have had in school for the last four months.

Today, I have sent out to you the updated risk assessment and procedure document. You will also receive a 'Parent Guide' with what I hope is everything you need to know to be prepared for September along with a map of the classrooms in school and the external doors for drop offs and pick ups.

If I have missed anything, please email questions@whitefield-pri.lancs.sch.uk and let me know.

We anticipate things may change throughout August but if they do we will be in contact with you before September to let you know of any changes we have had to make.

Also this week, you will have received the new class information for September 2020. Photos of the teachers are not on the website yet but will be coming soon. And you have also received communication this week about children's written reports.

Please note: all school provision for children of key worker parents and vulnerable families will end at 3.30pm on Tuesday 21st July 2020 and at 5pm for those accessing after school BOLA on this day.

Anna from The Nest will be operating a holiday club on school site throughout the summer. Please contact The Nest should you need this provision.

Yours sincerely

Sarah Foster

Headteacher
