CHANGES TO BUBBLES – JULY 2021

Dear Parents and Carers

As you will be aware, it has been announced by the government that children no longer need to stay in bubbles from Monday 19th July 2021.

At Whitefield, we intend to keep the children in their bubbles for the final three days of term.

By doing this, we will ensure we reduce the risk of any further positive COVID cases which would then result in isolations and the risk of some families and staff not being able to go on their planned holidays or to planned events in the first ten days of the summer holidays.

I will update you towards the end of August as to the arrangements in school for September. The messages are positive (no bubbles, only the positive case having to isolate etc), however the last 18 months have shown us all how things can change quickly so school will pause and continually review as we move through the summer holidays .

Thank you as always for your continued support during these challenging times.

Yours sincerely

A handwritten signature in blue ink that reads 'S Foster'.
