Please note, events may be rescheduled due to the COVID-19 situation within school and the local area. We will be guided by PHE and LCC on this decision.

Currently, we have not planned our Christmas production events to be held in school due to the number of cases within school and the local area – we will keep you updated on any changes.

All visitors who come in to school must take a lateral flow test prior to arriving and report their result on the government website. If you do not have any test kits, school can provide one for you.
