# PE & Sports Grant 2018-2019 Outcomes Review and 2019-2020 Targets

## Evaluation and Impact

This academic year has seen Whitefield have one of their most successful years in regards to sport and PE. We offered more extra-curricular activities than ever before which in turn gave us a huge amount of success in our sporting teams throughout the year.

Clubs which we have offered to our children this year:

Football – Year 3 and 4, Year 5 and 6 (Mixed)

Netball – Year 6 (Mixed)

Sportshall Athletics – Year 3 – 6 (Mixed)

Key Stage 1 Quadkids – Year 2 (Mixed)

Quicksticks Hockey – Year 5 and 6 (Mixed)

Multi-Skills Club – Year 1 and 2 (Mixed)

Orienteering – Year 5 and 6 (Mixed)

Tag – Rugby – Year 5 and 6 (Mixed)

Tri-Golf – Year 3 and 4 (Mixed)

Cricket – Year 5 and 6 Girls, Year 5 and 6 Boys and Year 3 and 4 Mixed

School of Military – Year 4 (Mixed)

## Outcomes

At Whitefield we have a sport for all outlook to our curriculum and clubs. In the last 2 years we have aimed to increase the amount of children who attend an extra-curricular club. With the appointment of our Sport Development Officer we were able to do this. In 2016/2017 the number of children who attended a club in Key Stage 2 at Whitefield was 96 however this number increased to 155. During the next academic year we hope to increase this number further by providing even more opportunities for our children.

We also use the bleep test at Whitefield to assess the children's health and fitness levels. Again from the appointment of Mr Birchall, we were able to run morning sessions which worked on improving targeted children's fitness. This meant that an impressive 90% of children made progress in their scores throughout the year. This is a number which we hope to increase by putting on more lunchtime clubs for other targeted children.

Although the sports premium money does not pay for our pupils' swimming lessons, we still use it to support any children that may need it. If any children have been identified as not meeting the recent government set standards for swimming, they are then offered further lessons which will be paid for using the sports premium funding. (See swimming data on separate document).

The amount of girls attending extra-curricular activities at Whitefield has also increased from 51 in 2016/2017 to 80 in 2017/2018. Again this is a figure which we hope to increase further by provide more extra-curricular clubs which will appeal to girls (and hopefully boys) in 2018/2019.

### Competitions

We participated in a many inter-school competitions during this year covering a range of sports – too many to mention. However we have had many successes this year a list of some of them are below:

- Hutton Central Venue Football Comp @ Priory- Winners
- Central Venue football playoffs @ Browndedge- Winners
- EFL kids cup final @ Blackburn Rover- 13<sup>th</sup> January 2018- Winners
- Yr 5/6 Sports hall athletics regional finals- 16<sup>th</sup> January- 3<sup>rd</sup> Place
- EFL Kids Cup North Final @Blackburn Academy- 3<sup>rd</sup> Place
- 3/4 Mini Tennis regional heats @ SRTC- Group Winners
- Yr 5/6 Quicksticks Hockey Competition @ Walton Le Dale- Winners
- Girls football competition @ Lostock Hall Academy- runners up
- Central venue football B/ C Team @ Penwortham Priory- Winners
- Yr 3/4 Tri Golf Competition @ Browndedge St. Marys- May 2018- 3<sup>rd</sup> Place
- Yr 5/6 Girls cricket competition @ Penwortham CC- June 2018- Runners Up
- KS2 (Schools Best) cricket competition @ Vernon Carus CC- June 2018- Winners
- Year 5 Mixed Cricket @ Leyland Cricket club- 20<sup>th</sup> June 2018- 3<sup>rd</sup> Place
- KS1 Quad Kids @ Walton Le Dale High School- 2<sup>nd</sup> Place.

The children have performed fantastically well this year – their behaviour is always exemplary and we look forward to further successes in the future.

### Targets for 2018/2019

1. Increase the extra-curricular opportunities provided for Key Stage 1 children – previously 6 throughout the year.
2. Aim to enhance our sport for all access by increasing the percentage of children who have attended an extra-curricular club in 2018/2019.
3. Provide lunchtime clubs for the children who did not score highly on the bleep test, to increase health and fitness levels across school.
4. Increase the percentage of girls who attend extra-curricular clubs.
