

THE WHITEFIELD POST

02.02.2024

PAGE 1

What a busy week it has been in school this week. We have been learning all about the continents as part of our Geography Week. Miss King, our Geography subject leader was so impressed with the learning taking place. I have decided to move to Alaska. There are lots of photos on our school Facebook page - [whitefieldprimaryofficial](https://www.facebook.com/whitefieldprimaryofficial). Year 3 have been to Priory Academy this

week for a trampolining session and next week, as well as Safer Internet Day it is also Children's Mental Health Week - check out page three for more information.

AND - it's the Friends of Whitefield PTFA DISCO on Thursday next week - make sure you have booked your tickets! <http://pta-events.com/whitefield>

SAFER INTERNET DAY 2024! MESSAGE FROM MR FLYNN, OUR COMPUTING LEAD - On Tuesday 6th February it is Safer Internet Day and this year we are looking at new and emerging technology (some of the children may have spoken to you about our assembly last week on driverless cars!). We would like to go back in time and look at how technology has evolved - does anyone have any old phones, games consoles, music devices or computers they can bring in to school for our assembly on Tuesday? We want to look at how technology has changed our lives and how parents and grandparents accessed information and each other. We will look after your items (we won't flog them on ebay, honest) and return them to you Tuesday after school.

FRIDAY CERTIFICATES - 26TH JANUARY 2024

RECEPTION - OTTILLIE B, ELLIOT B

YEAR 1 - BEN D, LEXY GC

YEAR 2 - ZAKARIYYA I, LANA P

THE GOLDEN WELLY AWARD!

This week's winners of our Golden Welly Award, chosen by Mrs Ward, are Sophie, Isabelle, Harriet and Esther for working together and listening to each other's ideas to create a dinosaur village and zoo by the trees.

Well done!

CHILDREN'S MENTAL HEALTHY WEEK - MY VOICE MATTERS

Mrs Huxtable and Mrs Caslake are our school mental health champions and alongside the school well-being ambassadors, they have planned a number of activities for next week.

1. Mrs Huxtable will launch our focus week with an assembly on Monday.
2. The children will be creating Notes Home that express gratitude for someone or something. This links with our My Happy Mind work this term.
3. We will be talking about proud moments and how they make us feel.
4. And our wellbeing ambassadors have voted for a 'Whitefield Wellbeing Wednesday' where each class can choose an activity to complete and enhance their day - it could be mindful colouring, a walk around the track, some buddy time, some shared reading - they will decide! If your child needs anything for this activity, we will send an app out to you.

GEOGRAPHY WEEK w/b 22nd January 2024

Thank you Miss King for organising such a great week!
