

THE WHITEFIELD POST

Newsletter 11.10.24

Dear Parents and Carers,

Welcome to the latest edition of The Whitefield Post, where we celebrate achievements of our wonderful pupils and share up coming dates and information with you.

It was lovely to invite potential parents into school today for our open day. The Year Six children did a wonderful job of showcasing our school and received lots of positive feedback. All our children spoke confidently and enthusiastically about life at Whitefield and enjoyed a great morning...

Well done to Sebastian Robinson from 4SM. Last weekend, he was awarded the Most Improved Player of 2024 for Preston Junior Cricket Club's under 10s team! This season, he played in his first cricket matches after joining the club at the age of 6. Not only that but the Preston U10's also won the league... We are so proud of you Sebastian.

On Sunday 6th October, five boys from 5SS played their first basketball game of the season for Preston Basketball under 11's team.

It is wonderful to see Whitefield children working together outside of school and all playing for the same team! Mr Roberts will have to look into whether there is a school basketball competition this year!

If you have a celebration from outside of school that you would love to share, please email newsletter@whitefield-pri.lancs.sch.uk

Please include name, year group and a brief description of the event. Feel free to include a photo too!

This weeks Golden welly winners are Millie and Mya. They worked together using constructions, fallen leaves, twigs and popcorn to create a nest for birds and fairies. They left it overnight and it had mysteriously dismantled! Millie and Mya think that the mischievous fairies were responsible...
