

Whitefield Primary School PE & Sports Premium

2018/2019 Planned Expenditure

Schools must use the funding allocated to them by the DfE each year to make additional and sustainable improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. The additional funding has been pledged until 2020. The funding is ring-fenced and can only be used to develop PE and Sport. We will be held accountable for how we spend the money and so we publish online how we spend the grant and what impact it is having (see below).

Income Received	£
PE and Sport Premium funding	£19,130.00
Expenditure 2018/2019	
South Ribble Sports Infrastructure	£1,500
South Ribble Sports Competition fees	£500
PE Subject Leaders Day	£150
Change for life Bag	£300
CPD for Staff	£1000
Equipment	£2500
South Ribble Sports Active Travel	£325
Sports Development Officer	£12,855

We employ a Sports Development Officer to support all teachers in PE lessons to enable skills to be developed further with more specialist knowledge.

To run after school sporting clubs 4 nights a week to allow more children to become involved in sport and have more opportunities to represent the school in competitions.

To join South Ribble School Games competition package that will allow lots of children within school to participate in a wide variety of sports from football, netball and athletics to special needs tournaments and B side festivals.

Continually update the PE equipment so it is high quality and allows children the best possible chance of success whatever their ability

Provide leadership opportunities for pupils through play leader training and ambassadors

Support the PE Leader in running sports day each year which involves the whole school

Teach small groups of pupils with specific SEND so they have a full, rich sensory diet each day

Retaining the Gold Kite Mark and work towards gaining our Platinum Award
