

Year 6 Autumn Newsletter 2021

OUR ENGLISH TOPIC THIS TERM IS SURVIVAL!

As historians we will be looking at the Windrush Generation and finding out why people made the journey over to the UK and more importantly, how they were received and the difficulties they faced.

As geographers and people who want to learn more about the world, we are going to be carrying out a comparison study of England, Poland and Jamaica. We will learn about both physical and human geography for all regions and be able to locate them on a map.

In Science we will be studying living things and their habitats, as well as learning how to classify animals. We will also be studying light, which will build upon our Year 3 knowledge and look further in depth at the light spectrum.

As artists, we will be looking at people in action and exploring the work of LS Lowry and pop up books.

English Topics:

Poetry

Adventure Stories

Diary Entries

Non-chronological reports
and report writing
