

Geography – Y9 Term 5

What are we learning this half-term?

This half term pupils will be finishing off the topic of Asia & China by studying China's cultural revolution, population change in China, how China became so rich and the environmental impacts of China's growth. Pupils will then start a small Map Skills topic, focusing on compass directions, map symbols, 4 & 6 figure grid references, distance & scale, relief and contour lines, cross sections, transects and field sketches.
