

William de Yaxley CE Academy

“May our love of God, of each other and of learning make this school a happy, safe place full of faith, hope and high expectations”

Intent:

We recognise that a high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically demanding activities. At William de Yaxley CA Academy, we strive to provide PE and Sport opportunities for pupils in order that they become physically confident in a way that supports their health, mental health and overall fitness.

We recognise that opportunities to compete in sport and other activities builds character and helps to embed values such as fairness and respect. The National Curriculum for physical education aims to ensure that all pupils: · Develop competence to excel in a broad range of physical activities · Are physically active for sustained periods of time · Engage in competitive sports and activities · Lead healthy and active lives.

We strive to create a culture to inspire an active generation who enjoy P.E. Where all are encouraged and can achieve and in so doing, we support pupils to become happy, healthy and confident learners.

Implementation:
