

William De Yaxley CE Academy

We are pleased to announce that we have achieved the Silver School Games Mark award for our commitment, engagement and delivery of competitive school sport in 2018-19

This represents a lot of hard work and dedication from our staff and pupils who have committed to attending training sessions and competitions throughout the year. It is also reflective of our intent to deliver high quality Sport and Games Activities within school, as part of our PE curriculum for all children.

The School Games Ethos ensures that we value individuals, giving equal access and opportunity to all. We strive to embed a life- long attitude towards sustained participation in sporting activities and physical activity.

Our children are encouraged to participate in competitions both within school and with other schools, where they are able to show case their talents and celebrate their personal successes and personal achievements.

The qualities of: Determination, Respect, Honesty, Self - Belief, Passion and Teamwork are all encouraged and have been developed throughout the school for all.
