Messages and updates

Dear Families,

Happy New Year!

I am so excited that I am able to start 2025 by sharing some fantastic news with you. On Friday, governors completed their due diligence work on the contractor bids for the playground refurbishment. As a result, we have been able to appoint Educational Play Environments to undertake refurbishment of the *Front Playground* and the *Sensory Playground*, as well as installing an outside classroom in the *Back Playground*. I have included an overview of the designs for you to begin exploring what we have planned and we will arrange a display in school so that you can come and look at the large plans and diagrams. I will of course keep you updated in terms of when the work will begin. Our thanks go to the Local Authority for providing the much-needed funding to achieve our vision for the outside space.

We continue to work with children, staff and contractors on developing a detailed plan for the back playground which meets our needs. I look forward to sharing the detail of this with you once we have a finalised design that we are happy with.

This year, we are also implementing a new communication tool – Reach More Parents, as part of the school's strategic communication plan. This will help to ensure that communication becomes even more targeted, so that parents receive the communication that is pertinent to them: class specific newsfeeds, letters and calendars. When we reach the roll-out phase of implementation, I will provide further details so that you can maximise the benefits of this improvement in our communication strategy.

Finally, if you haven't yet had a chance to look at the new school prospectus, please do – there are copies in the school office and a lovely flipbook on the school website. It captures the spirit of the school so beautifully and our thanks go out to Ferry, Katie, Bronwen and Kelly for all their hard work in pulling this together on our behalf, and to Alice, Eleanor and the FOWHS team for organising printing and distribution in the local community.

Enjoy your weekend.

FLU CATCH UP CLINICS

FOR CHILDREN IN RECEPTION TO YEAR 11

And Years 12-13 In Special Schools

Remember that flu vaccination is still available for all eligible groups and is the best protection against the virus. We have seen good uptake in older age groups but vaccination among young children remains low. Flu can be very unpleasant and, in some cases, can lead to more serious illness. Getting your child vaccinated protects them and others they come into contact with, and it's still not too late.

We offer the Flu Nasal Spray and the Injectable (porcine gelatine free)

If your child has still not received their Flu Vaccination, please click onto the following link to book them into a local clinic.

STARS OF THE WEEK

Stars of the week - WB 13.01.25

Generous

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	David	This week David has been excelling in all his learning; he is able to talk about vertebrate and invertebrate animals, retell <i>The Shopping Basket</i> , and has begun learning how to use a number line to 20. He has been a very generous member of the class this week, sharing his celebrations with the class! Thank you, David, and keep up the good work!
Matisse	Ahmad	Ahmad has shown wonderful generosity during playtime by making friends, sharing his time and being open and ready to learn. He has started 2025 with a positive attitude and I am excited to see him grow!
Monet	Stanley	After coming back from an exciting trip to Australia, Stanley has had an excellent end to the week. He has been really generous with his support of his classmates in their learning whilst Ms Cowell has been absent. He also showed great leadership in a science group activity where he was generous with his scientific skills. Well Done Stanley!
Shonibare	Usman	Usman continues to impress me on a daily basis. This week has been particularly good for Usman despite being tired at the beginning of the week. His ever present generosity was on display as he consistently offers to share his things as well as sharing encouragement in our football sessions across the two days.
Riley	Tiannahmai	It is always lovely to see others being generous. Miss Rees and myself are so proud of Tiannah because she consistently offers support and advice to her peers, during lessons and throughout the school day. However, her generosity does not stop with her class. She often goes out of her way to help other children around the school. This week is no exception, seeing a child who had hurt their head, Tiannah sat with them for the majority of lunchtime to make sure that they were ok. Well done, you are such a generous person.
