

The Local School With The Big Heart

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Messages and updates

The Book Fair is coming to The William Hogarth School! It will be arriving on Monday 24th February 2025 and will be here until Friday 28th February 2025. Come by at 3.30pm and support our school whilst getting your hands on the best new children's books!

Well done to all the children who attended the 2025 Young Voices Event on Tuesday. Adults and children had such an amazing afternoon – it truly is an incredible experience to have the chance to be part of an event like this. We are so appreciative to Mr MacLeish for making sure the children were in excellent singing form and to Miss Rees for helping us all to get down with our dance moves down!

We're planning to showcase the children's skills in school at a mini concert on **Thursday 27th February** at 9.15am – do please feel free to come along and support the children if you would like to.

PARTNERS FOR CHANGE ETHIOPIA CLOTHES COLLECTION

It's time for our annual Bags2School collection to help raise funds to support a new school in Ethiopia called Tibase M school in Debre Birhan about 3 hours drive north of Addis Ababa.

The money raised will go towards funding a breakfast club at the school so the poorer children in the community will receive 1 hot meal a day at school before the day starts. This not only gives them enough energy to stay awake for the whole school day but it also encourages them to attend school as this may well be the only food they get that day, so not only is it improving the well being of the child it is also improving the education level of the individual children.

The children at Tibase M school in Ethiopia have heard that William Hogarth school in Chiswick, England are going to help them and they are very excited!

So....it's time to have a good sort out of your wardrobes and get rid of any unwanted clothes, bags, shoes etc that you no longer need! We will have 2 collection days at school. The first one will be on **Friday 14th February** and the second and final collection day will be after half term on **TUESDAY 25TH FEBRUARY**.

Please bring any donation's in a plastic bag and drop them off at the school office at drop off on either of those days. Think how great it will be to have a clear out over half term!

Bring in your unwanted clothes, bags, shoes, etc to help our friends at

KS1 & KS2 DT Project

Last week was DT Week, and the whole school dedicated their afternoons to working on exciting projects focused on either structures or textiles. Each year group took on a unique challenge:

- **Reception** – Designed and built boats
- **Year 1** – Created their own puppets
- **Year 2** – Constructed chairs for Baby Bear
- **Monet Class** – Explored fastenings to make book covers
- **Year 5** – Sewed and decorated pillows
- **Year 6** – Designed and built model playgrounds

The children have worked incredibly hard, and we would love for you to come and see their fantastic creations! Please join us for a **DT Showcase** in the **main hall** on **Monday, 10th February at 3:30pm** to celebrate their achievements.

We look forward to seeing you there!

STARS OF THE WEEK

Stars of the week - WB 03.02.25

Together

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	David	David has been a superstar at demonstrating togetherness this week! He has excelled in Phonics by mastering how to hold a sentence and has created beautiful spring flower drawings in Art. On the playground, he has shown wonderful togetherness by exploring new games and people to play with when some of his close friends are off sick. Well done, David—you should be very proud!
Matisse	Eloise	Eloise has shown fantastic progress in working together with others, especially during play times. She has been very imaginative with her friends acting out stories. Eloise represented our school at the O2 with the choir! She has also been proud to share her DT project and writing about a phoenix to the rest of the class. Well done!
Monet	Muniba	This week, we have been finishing off our DT and Muniba has been so helpful with supporting her classmates. Muniba really epitomises the value of togetherness as she is always on hand with a kind word or to lend a helping hand to others. Muniba has real team spirit and Monet class are lucky to have her!
Shonibare	Hassan	Hassan really brings our class together. He is very often the first to ask others if they are ok and if they need any help. He's worked well with others in maths during the week and I was impressed with his teamwork in our computing lesson earlier in the week. He makes it his mission to ensure the class are a unit rather than a group of individuals!
Riley	Taiba	Taiba, you have been such a positive influence to your peers this week, through your consistent attitude to assist and offer guidance within the classroom and the way you pooled resources and opinions together so that everyone was able to reach the same goals and understanding. Well done, your team spirit is commendable!
