STARS OF THE WEEK

Stars of the week - WB 10.02.25

Hard-working

To all our stars: It is lovely to see your **happy** faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Jibril	Jibril has worked hard this week, creating a fantastic home learning project about his family—thank you for sharing! He has been focusing on improving his number facts, especially doubles, and has shown great enthusiasm during writing for pleasure, where he described a gruesome yet friendly monster. Well done for all your hard work, Jibril! I'm sure you will keep this up next half term.
Matisse	Georgia	Georgia demonstrated incredible knowledge about the Great Fire of London on our trip and in her presentation. She was also determined and hardworking during the athletics competition. She has had a wonderful week and should be very proud of herself!
Monet	Romey-Mae	Romey Mae has been an absolute star during test week! I have been blown away by the astronomical progress she has made in Maths. She has shown her potential and I am so sure she will strive to continue to make improvements. Romey-Mae is such a kind and considerate member of our class and we are very lucky to have her.
Shonibare	Leandra	Leandra has been the hardest working person in year 5 this half-term. Despite being a high achiever, she knows the importance of continuing to work hard and she's aware that there is always room to improve. This has really reflected on her impressive results just half-way through the year. Her remarkable attitude towards her learning makes her a wonderful role model for others.
Riley	Nils	Nils, you are such a positive influence and inspiration on your class. You consistently work hard and are always encouraging others to do the same. You are dedicated to improving in your learning and embrace all learning. I am so proud of how hard you work and for all the achievements you have made so far. Well done!

Year 2's star piece of writing

Task: To write a finding narrative about your own magical creature.

The Gold Horn by Adrianna – Year 2

One hot summer's day Molly and Ben explored the Golden Forest. They were two people who were looking for a Gold Horn. They looked and they looked and they looked but they found nothing. Until they found a special shiny golden pond. It was surrounded by golden stars.

Molly and Ben found the pond fascinating. They wondered if there was anything inside the golden pond. They fished and they fished and they fished and to their surprise ... they found a Gold Horn! It had tiny eyes and a small tail.

Molly and Ben tried to hold the Gold Horn but she played a lot like a cat. Suddenly, stars came out of her nose and ears! They both decided to take this mystical creature home. When they arrived home, the Gold horn looked sleepy so Molly and Ben took her to bed. The Gold Horn was as sleepy as a cat.

All week long the Gold Horn happily played outside. However, soon the Gold Horn got unwell. Sadly, she turned yellow and was vomiting all over the place non-stop. Why was she sick? What happened? They came up with the most surprising plan.

Sadly, Molly and Ben had to return the Gold Horn back to the Golden Pond. When they returned her back to her pond, her colour changed from yellow to white. The Gold Horn was joyful because she was finally back home! Molly and Ben were depressed to see the Gold Horn go but it was for the best.
