

### Maths

We will learn about Time, Statistics and Position and Direction. We will also consolidate our learning to prepare for transitioning to Year 3.

### PSHE

We will be explaining how we have changed over time and will be able to use correct terms to label body parts. Children will be encouraged to express their likes/dislikes about changes.

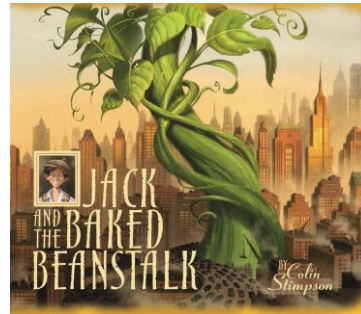

### RE

We are focusing on the key question 'Where do some people talk to God?' We will be exploring places of worship in the Muslim, Jewish, Christian, Alevi and Pagan worldviews; investigating why people choose to go to places of worship.

### English

Our English book this half term is Jack and the Baked Beanstalk. From this story we will be writing our own twisted narratives.

### Science

In science we will learn all about Living Things and their Habitats Plants! We will also find out about microhabitats and characteristics of living things.

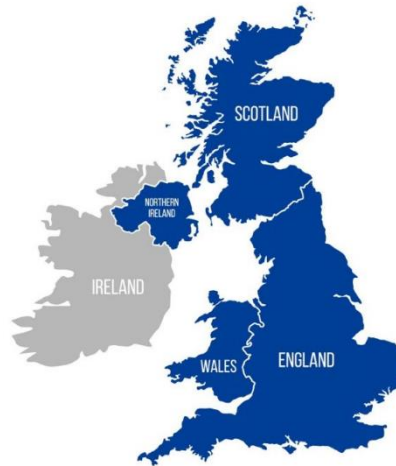

### P.E.

We will learn about striking & field games. We will also learn about spinning, twisting and turning in gymnastics.

### Geography

Our Geography topic this half term will be 'Comparing countries of the UK'. We will learn about the flags, capital cities and what it is like to live in each country. At the end we will write postcards from the capital cities in the UK.

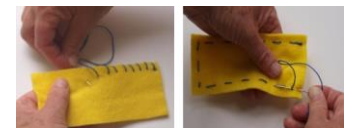

### Music

Our music topic is 'Playing Together'. This unit brings together the musicianship skills learnt throughout the year.

### Art and D&T

In DT we will be exploring and using different fabrics to cut and join the fabric using simple techniques.

### Computing

We will explore what information technology is and where we have seen it before. We will also explore programming & coding through Lego WeDo 2.0

resources.
