

Year 3 Home Learning Project Water & Weather

Due: Wednesday 17th July

Make a water cycle poster

Choose a country and tell us all about the weather there throughout the year.

Create a painting of the different seasons. Then write a short piece explaining why we have different seasons.

Keep a weather diary.

Day 7

Today the weather is

My Weather Diary

My Favourite Weather:

Written by:

Create a weather forecast and present it like you are the weather presenter on the news!

Be creative and think of your own project idea about water & weather. You can make it practical or you can write about it.
