

Reception Newsletter
19th April 2024

Our focus book for this week is:

We have been:

- listening carefully to the story “Superworm”
- observing worms and drawing pictures of these
- making homes for the worms
- learning about what worms can eat and feeding the worms compost
- making a list of the different mini beasts in the garden
- making a tally of the different mini beasts we can find in the garden
- making a bar chart based on the tally we made
- designing superhero outfits
- making super hero hats
- constructing superhero “space ships”
- playing “red word” snakes and ladders
- exploring the new dinosaur area and learning how to pay for a new pet
- mini beast puzzle with 300 pieces!
- playing with the mini-beasts and measuring their height with unifix
- developing our understanding of jumping and applying these to friendly races
- consolidating our knowledge of bonds to 5 and 10
- teaching poppy the puppet how to count to 20 properly!
- learning and using prepositional language

- **No nuts or nut-based food in packed lunches, please.**
- **Writing names on jumpers and cardigans.**
- **Writing names on water bottles.**
- **Practicing bonds to 10.**
