Stars of the week - WB 13.11.23

Optimistic

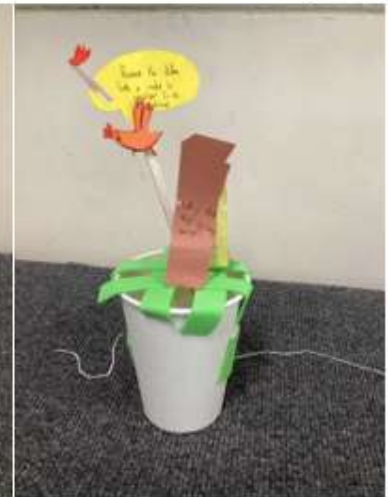

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Dina Sofia	This week Sofia has shown optimism during the drama workshop; she was fully engaged and showcased her dramatic acting skills. Sofia has also been complimented by many members of staff on how considerate and kind she is with others. I am very pleased, Sofia. Well done, and keep it up!
Matisse	Artem	This week we have been completing assessments, participating in workshops and learning all about anti-bullying. It has been a super busy week but in that week Artem has shown a quiet confidence and hopefulness that has helped him to achieve his goals. Well done for being so optimistic and working hard.
Picasso	Sumaya	Sumaya is a super optimistic student. She does not let problems bring her down. Sumaya approaches new challenges with a bright outlook.
Blake	Malika	Malika always has such a positive outlook on life and this is reflected in her learning. She always challenges herself in lessons and is always looking to improve. I am always impressed with her eagerness to challenge herself in maths and also in our workshop this week. Her constant smile and positive attitude brings joy to our classroom!
Shonibare	Arya and Malak	I have been so impressed by Arya and Malak's optimism during learning. Over the last few weeks I have witnessed them making an effort to work effectively together in paired tasks. Individually they have both shown determination to excel and make improvements to their assigned tasks.
Riley	Ollie	In our class, we have a nickname for Ollie - Optimistic Ollie! He is one of the most optimistic children I have ever met. He sees the bright side in life and it is contagious. I often overhear Ollie having a quiet word with a classmate reminding them to show gratitude for what they have and to reassure his classmates that things will improve - if they are going wrong for them that day. Thank you for always bringing joy to our classroom.

This week in Year 3 – Picasso

This week was anti-bullying week. On Monday we wore odd socks to celebrate our differences. We have also designed our own superheroes to defeat bullying.

Projects from our Imagine Me Imagine You workshops including Laughing Automatas and Balancing Me sculptures. There is also a photo of our Nature's Engineers project.

In maths we have begun our learning on multiplication and division. We have been using cubes to make equal groups and we then drew arrays to represent problems.

Newsletter piece – Badminton Festival – Miss Trickey

We had an amazing time at the Year 3 and 4 badminton festival on Tuesday! The children enjoyed learning lots of new skills and were eager to try them out! We took part in a carousel which involved ten different activities, and I was very impressed with the children's enthusiasm and participation!

PHOENIX HOUSE VICE CAPTAIN

Hi everyone. My name is Vansh and I hope you vote for me to be your house captain leader or normal house captain for Phoenix [yellow house]. The value of the star of the weeks are Optimistic and Hard Working and I used to be a playleader which means we play with little kids for the whole lunch on different days but now I want to add being house captain and I want yellow house push harder than you did last year so that means getting more house points I hope we win.

If you vote me to be house captain leader or normal house captain I'll always help you around and I would give you something back in return. I know it's scary joining a new year but you should believe in yourselfs and push hard and always try to win as much house points for our team and win a trip to cinemas or maybe something else and even tell me or my partner how many house points you got for yellow and also make yellow house the best house.

WOULD YOUR CHILD LIKE TO PLAY IN THEIR OWN ROCK BAND FROM SEPTEMBER?

ROCK STEADY™

Enrol online for September today at rocksteadymusicschool.com or call 0330 113 0330 (local rate) 8am-5pm, Mon-Fri

Dear Parent or Guardian,

Great news! Booking for next term is now open and there's nothing to pay until September. It's quick and easy to reserve your child's place in their very own rock and pop band by going to rocksteadymusicschool.com.

Already enrolled? Don't worry your child's place will automatically continue (unless they are moving schools). You can let us know new school details, change instrument preferences, and contact details in your Backstage account <https://backstage.rocksteadymusicschool.com/sign-in>

New to Rocksteady? Your child can enjoy learning to play music in their very own band through weekly in-school rock and pop band lessons. It's a great chance to play an instrument, develop life skills, have fun, build confidence, and boost their wellbeing. As they progress through the Rocksteady curriculum, they will collect up to 300 different instrument, musicianship, and performance skills along the way.

Here's what you need to know:

- Lessons are held during the school day. There's no experience necessary and all instruments are provided, so it's very inclusive and accessible.
- Your child can choose from **drums, vocals, keyboard, or electric guitar** (subject to availability). They'll join their band mates for a weekly 30-minute lesson, where together they'll learn to play their favourite songs.
- You can proudly watch as your child performs in their end of term concerts, showing you and their friends just how far they have come. You can also **follow their musical journey** with regular updates in your 'Backstage' account.
- Loved and trusted by thousands of schools, lessons are taught by experienced professional musicians who make music education fun. Your child's band leader will support and **inspire** them, while making sure they progress at their own pace.
- Your child will become either a **Mini Rocker** (Reception to Year 2), **Rock Hero** (Year 3 and Year 4) or a **Rock Icon** (Year 5 and Year 6).
- Rocksteady lessons are **hassle free** with a **money back guarantee** for the first month. What's more you can **cancel at any time**.

Places are offered on a first come, first served basis. Selecting different instrument options will also give you the best chance of getting a place.

For more details on availability and cost, visit rocksteadymusicschool.com, click 'sign-up', and search for your school or call 0330 113 0330.

Best wishes,

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax-Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
