

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Message from the Headteacher

I am delighted to start this week's newsletter by welcoming Pierre Kremer to the Governing Board as our newly elected parent governor. Thank you to both Pierre and Matthew McLean-Brown who was also nominated and was a very close runner-up. We were all incredibly impressed with the high number of ballot papers returned when we carried out the count this morning.

This week, you will have received some information from Mr Hannah (our Computing subject leader) and myself regarding free Online Safety training for parents on the National Online Safety platform. I would encourage you all to log onto the site and have a go at the relevant training – there are also webinars and other training guides available for you to access which will help you to keep your children safe online. The link to the training is:

This week marked **Anti-Bullying Week** across the country. In school, the children have once again explored our *Mind To Be Kind Curriculum*, this time focusing on *Living Without Harm*. Everyone in school has been keeping their eyes open all week for *Random Acts of Kindness* – I am sure many of you will have spotted a particularly delightful example on our Twitter feed ([@Hogarth_the](#)) where one child is engrossed in helping another to zip up their coat. Hopefully, the children will have translated some of their learning to home and you will have enjoyed plenty of random acts of kindness at home too.

As a purposeful link to both online safety and anti-bullying, I have included some information below regarding Ollee – a digital friend for children in Key Stage 2. Please do have a look with your child. The link to the Ollee app is:

<https://parentzone.org.uk/Ollee>

On Monday, we will be sending home a parent questionnaire to find out your needs regarding wrap-around care for the foreseeable future. We understand that, for many of you, working patterns may well have changed and we want to ensure that we continue to provide a relevant and reliable service for all our families.

I know many of you were disappointed to learn that we were not going to continue our subscription to Doodle because of the high cost. Thank you to Isma Adams who has negotiated on our behalf with the company, helping us achieve a significant cost saving. As a result, I am thrilled to let you know that we will be able to not only continue with our existing subscription, but extend it to every child in school. Once we have login details etc, teachers will send these home in pupil planners.

The children were very excited to learn about our upcoming Lego / Robot Dress Up Day as part of our fund-raising campaign for Lego Education Resources. The date for the dress-up event is Friday December 4th – keep an eye out for more information next week. If you would like to make a donation in the meantime, do please have a look at our fund-raising page:

<https://www.rocketfund.org/the-william-hogarth-lego-education-fundraising>

A big thank you for the generous donation of Nitty Gritty nit free combs for the whole school from Stanley's (in Reception) grandmother who was one of the creators of this amazing product.

Have a great weekend. Make sure you wrap up warm if you are venturing out. Do please keep up your excellent efforts to remain socially distanced – I know how hard this can be, but it is critical if we are to succeed in reducing community transmission rates of the virus.

Stars of the Week

This week has been 'Anti-Bullying week' and we have been noticing children that have been particularly kind to each other and doing acts of kindness around the school. A mention to Y4 who have been very kind every morning asking how I am feeling and having a lovely conversation with me each day. It's certainly brightened up my mornings!

Rothko	Charlotte	For always being kind and helpful to nursery children and offering to help adults tidy up.
Mondrian	Aidan	Aidan demonstrates friendship to all. He's a great friend to have!
Matisse	Taiba	Taiba is an incredibly positive and warming member of the class. She is supportive of others in helping them do the right thing. Thank you for your smiles and happiness!
Picasso	Trey	I think that kindness is second nature to Trey – he displays acts of kindness on a daily basis and never seeks conflict - he is an excellent example to the rest of the class. Very well done, Trey.
Blake	Quasi	You can often catch Quasi being kind to others. He knows that a kind act is often its own award.
Shonibare	Casey	Casey, well done. You're a beacon of thoughtfulness and kindness in our class and your kind acts touch everyone you come in contact with.
Riley	Yushua	For unwavering kindness all during kindness week.

A huge Thank You!

This year we have raised a fantastic £189.73 for Children in Need!

It was great to see all those spotty items of clothing worn for such a good cause.

The William Hogarth Amazon Wish List

https://www.amazon.co.uk/hz/wishlist/ls/2IVG1DX99BDC7?ref_=wl_share

With no 'normal' fundraising events such as the Christmas Fair this year, we really do appreciate any contribution big or small – that's why we have set up our Amazon Wish list.

This week we have received **£10.35** of resources.

As a school there are always many resources that we need or would like to purchase to give children full and exciting learning experiences.

In view of this, we have set up a Wish List on Amazon. If you would like to support us and purchase something that the school really needs, then this is a direct way that is a hassle free and quick to do.

You can either click on the link above, or alternatively, when you are shopping on Amazon, search for The William Hogarth Wish List and it will show you all items that we would like as a school. We may have multiple items of the same thing, so please only purchase what you can afford.

If you have had problems trying to order something and a message is displayed 'Marketplace items cannot be sent to Gift Registry addresses' you will need to add the school address in as a new address: The William Hogarth School, Duke Road, W4 2JR.

Thank you

Introducing Ollee – a virtual friend (ParentZone/BBC Children In Need)

Ollee is a digital friend for children aged 8-11, created by Parent Zone and funded by BBC Children in Need's A Million & Me initiative, which aims to make a difference to children's emotional wellbeing.

It's designed to help children reflect on how they feel and to process their experiences with the support and help of their parents and carers – and it does this by offering them advice about a range of subjects: school, family, friends, their body, the internet and the world.

For each of these subjects, children can choose an emotion that matches how they feel about it: happy, angry, sad, confused, frustrated, stressed or worried.

Next, they can choose from a list of topics – for instance, a child who was worried about school might be able to select 'I haven't done my homework' as the cause of their worry. Finally, they'll see a page of advice about the topic, presented in child-friendly bite-sized chunks they can read then or save for later.

You can more **information** and download the Ollee app here: <https://parentzone.org.uk/Ollee>

Hello from Reception

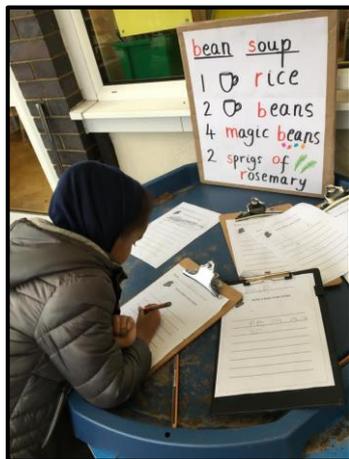

It has been an exciting half term in Reception, so far. We are learning about castles and giants through the stories of Jack and the Beanstalk and The Smartest Giant in town.

There is so much to do and learn indoors and outdoors.

We have been trying to feed the giant!

Making bean soup and mud cakes for the giant is challenging!

It is important to follow a recipe so that the giant's food is just right. He might get grumpy if we get it wrong!

We enjoyed comparing the grumpy and kind giant; and we are using our phonic knowledge to read some sounds and words.

There are so many ways to make a castle!

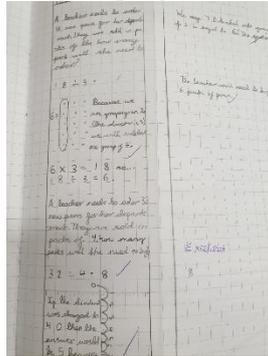

Hello everyone from Year 4 Blake Class.

Our learning adventure continues!

Maths

In Maths this we focussed on our multiplication and division skills. We started off the week with a short assessment and we are learning about division as grouping and through pictorial representations like arrays.

Communication

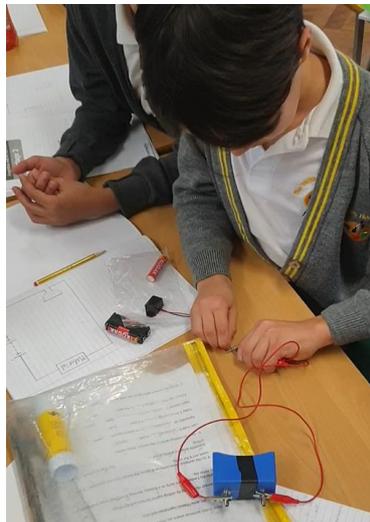

We are studying the famous poem 'The Lady of Shalott' by Alfred, Lord Tennyson. Scarlett says, 'I'm finding it intriguing and I want to find out more about her.' Armando – 'I want to know more about where she lives.'

In Grammar, we are concentrating on noun phrases.

Science

This week we built on our circuit knowledge and tried out our designs as we created burglar alarms.

ONLINE SAFETY – HOW MUCH DO YOU REALLY KNOW

As a school community, we understand the importance of keeping children safe online. Arguably, this is even more important now, during the pandemic, with children potentially spending even longer on their computers, tablets or mobiles.

That is why our Computing Curriculum last half term focused on Internet Safety and we will be exploring online bullying this week during anti-bullying week. **We want every child to have the skills to be able to keep themselves safe.**

Why is it so important for parents and carers to keep up to date with online safety?

The internet is an amazing resource, whether it is used for learning, games, socialising, or

connecting so it is extremely important that we work together to ensure that every child can use it safely, respectfully and confidently.

Parents and carers have a huge role in supporting this as children are likely to have greater access to the internet at home than at school. We want to help our parent community stay up to date by providing training and regular information via our Twitter feed: @hogarth_the and the website.

Prevention is always better than the cure, so we have secured some fantastic online training around internet safety for our entire parent community to access. It will help you:

- Know how to start conversations about keeping safe online
- Know the risks and be able to mitigate them
- Know what to do if things go wrong
- Spot warning signs and get support

WE WOULD URGE EVERY PARENT / CARER TO TAKE PART IN THE ONLINE LEARNING WE HAVE BEEN ABLE TO SECURE. PLEASE SEE BELOW, INSTRUCTIONS TO HELP YOU ACCESS THIS FREE TRAINING QUICKLY & SIMPLY.

SHOP & SUPPORT

You can raise free donations to the school, without costing you a penny!
Major retailers can donate to our school while you do your usual online shopping. The Friends of William Hogarth is registered as a charity in both AmazonSmile and EasyFundraising.

Here is how it works:

smile.amazon.co.uk

You shop. Amazon gives.

- Amazon donates 0.5% of the price of your purchases to the charitable organization of your choice.
- AmazonSmile is the same Amazon you know. Same products, same prices, same service.
- Support the school by starting your shopping at **smile.amazon.co.uk** (instead of Amazon.co.uk), search for **The William Hogarth School** and add it as your charity. Donations will be automatically made.

Parent/Guardian: What to do if your child or someone in your household has symptoms of COVID-19

COVID-19 SYMPTOMS

As children return to schools after a prolonged break, we expect colds and similar viral infections to circulate. To be clear the symptoms for COVID-19 are: Raised temperature (≥ 37.8), a new continuous dry cough (coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours, a loss of taste or smell (cannot taste or smell anything, or things taste or smell different to normal). Your child only needs to have one symptom to stay home and seek a COVID-19 test. If you child has a runny nose and sore throat (without any of the COVID symptoms) they do not need a COVID-19 test.

School Uniform at The William Hogarth School

Our school uniform colours are grey, white, yellow and black. Our official uniform can be purchased on-line at www.stevensons.co.uk where we have a school page set up showing our school uniform. All non-logo'd items are cheaply available at many high street stores and supermarkets. We expect every child to wear school uniform when attending school and when participating in school organised events outside normal school hours. We expect children to be wearing the correct footwear for sports and games and for all items of uniform to be labelled clearly with your child's name.
