**Fundraising** - Over the years, the PTA (Friends of the William Hogarth School, Charity 1104367) has been fundraising furiously to refurbish the playgrounds.

### **We need an extra push to make it happen!**

Please copy/type in the link below on your internet browser to make a donation and please also share with your friends and family and those you know in the local community. <https://gofund.me/49eab2cb>

### No Pens Day

Our school will be holding a NO Pens Day on Wednesday 29th November. Your child is being asked to bring an object of interest to school to talk about as part of a class "Show and tell". This is a chance for your child to improve their speech and language and communication skills through a day of talking and listening activities-no writing!

Please read the attached information sheet which will outline why our school is taking part and how important it is to promote speaking and listening for all our children.

Children will be asked to support this fundraiser with bringing a pound or use the QR code to donate a pound please.

Use this QR code to make your £1 donation for No Pens Day, or visit:

[donate.speechandlanguage.org.uk/NPD23](https://donate.speechandlanguage.org.uk/NPD23)

- Remember to check the box which says:  
*'I am making a donation on behalf of an organisation'*  
and enter your school name in the *'Company'* field.

## Information for families

### Why is your child's school taking part in No Pens Day 2023: Show and tell?

- Teachers estimate that, in the UK today, 1.9 million children struggle with talking and understanding words. Without the right support, they face huge hurdles in learning, making friends and staying in good mental health.
- By bringing in £1 and taking part in No Pens Day 2023, you and your child can help raise money to support children who struggle with talking and understanding words.
- It's a chance for your child to improve their speech, language and communication skills through a day of talking and listening activities – starting with the biggest ever show and tell!

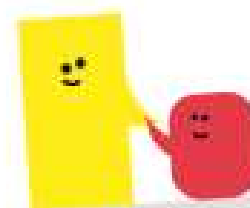

### Help your child take part by...

- Helping them choose something that they would like to bring in or talk about for show and tell. This could be:
  - An object from home that they love
  - An item of clothing
  - A photograph of a person who they want to talk about
  - A photograph of a special memory
  - Something imaginary! They don't have to bring anything in – they could just think of something they want to talk about.
- Helping them practise doing show and tell with their chosen item. They could mention:
  - What it is
  - Why they love this item/memory/imaginary thing
  - When they got it/did it
  - Who gave it to them/who they were with
  - What's special about it

- Make sure they bring in £1 to take part in show and tell on the day. All money raised will go to Speech and Language UK – a charity that supports children who struggle with talking and understanding words.

### After the day...

- Have a chat with your child about how No Pens Day 2023 went. It's probably best not to ask your child about this as soon as they come out of school- unless they happen to initiate a conversation about it. Children often need to switch off for a bit when they first get home from school. Try to wait till they seem ready to chat. A good time to talk about this might be at the table while you are eating tea, snuggled up together on the sofa while sharing a snack, when you are walking somewhere together and are not in a hurry, or possibly at bedtime when you are saying good night (provided it's not too late!)
- Some of the things you could say to your child include:
  - I'd love to hear about your "show and tell" today. How did it go?
  - What did your friends/teacher ask you about X? ("the thing you took in to school"?)
  - How did you feel when you were talking?
  - What did you tell them about it?
  - What did some of your friends talk about?
  - Did you learn anything new today?
  - How did it go/feel not using a pen/pencil today?

## Stars of the week - WB 20.11.23

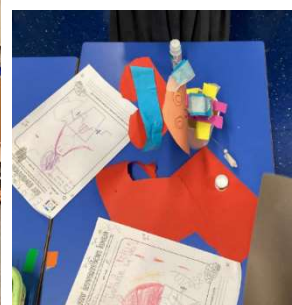

### Generous

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Yahya	Yahya is a very generous member of Year 1 and is very considerate of his friends. He comes in every day with a big smile and always greets the class with a positive message. Thank you, Yahya, for your kindness, and keep it up!
Matisse	Runa	It is so lovely to watch how generous and warm Runa is towards everyone. She always checks to make sure that everyone is ok and helps them when they are not. Thank you Runa for being such a kind and generous person.
Picasso	Asher	Asher is incredibly kind and generous to other children. He loves helping others when they feel worried and he cares about making people feel better.
Blake	Eleanor	Eleanor is an extremely generous person. Not only does she always offer to share her things in class but also for class events. She is a very thoughtful individual who always offers help to others! A prime example of Eleanor's generosity with her time was volunteering to do the important job of the lights for our class assembly!
Shonibare	Katie	Katie is very kind and thoughtful. She will gladly share resources in class or assist a friend when they need help. In the playground there are many times when I have witnessed her playing with and looking out for the younger children.
Riley	Jahzara	Jahzara is one of the most generous children in my class. Not only is Jahzara generous with her resources but she is generous with her time. She is always on hand to help someone with their work, to help me with handing out books and also supportive of other staff around school. I am so grateful for your generosity Jahzara!

## This week in Year 1 – Mondrian

In maths we have been looking at 2D and 3D shapes, children have been sorting shapes in as many ways as possible and even created a pattern as a class!

In cooking children made Cream cheese dip. We focused on using fine chopping, holding different vegetables in different grip when cutting with a knife. This week we also participated in IOI Imagine me Imagine you show and tell. They made 'balancing me' structures and 'laughing automata machines'.

Great news! Booking for next term is now open and there's nothing to pay until September. It's quick and easy to reserve your child's place in their very own rock and pop band by going to [rocksteadymusicschool.com](http://rocksteadymusicschool.com).

**Already enrolled?** Don't worry your child's place will automatically continue (unless they are moving schools). You can let us know new school details, change instrument preferences, and contact details in your Backstage account <https://backstage.rocksteadymusicschool.com/sign-in>

**New to Rocksteady?** Your child can enjoy learning to play music in their very own band through weekly in-school rock and pop band lessons. It's a great chance to play an instrument, develop life skills, have fun, build confidence, and boost their wellbeing. As they progress through the Rocksteady curriculum, they will collect up to 300 different instrument, musicianship, and performance skills along the way.

## Here's what you need to know:

- Lessons are held during the school day. There's no experience necessary and all instruments are provided, so it's very inclusive and accessible.
- Your child can choose from **drums, vocals, keyboard, or electric guitar** (subject to availability). They'll join their band mates for a weekly 30-minute lesson, where together they'll learn to play their favourite songs.
- You can proudly watch as your child performs in their end of term concerts, showing you and their friends just how far they have come. You can also **follow their musical journey** with regular updates in your 'Backstage' account.
- Loved and trusted by thousands of schools, lessons are taught by experienced professional musicians who make music education fun. Your child's band leader will support and **inspire** them, while making sure they progress at their own pace.
- Your child will become either a **Mini Rocker** (Reception to Year 2), **Rock Hero** (Year 3 and Year 4) or a **Rock Icon** (Year 5 and Year 6).
- Rocksteady lessons are **hassle free** with a **money back guarantee** for the first month. What's more you can **cancel at any time**.

Places are offered on a first come, first served basis. Selecting different instrument options will also give you the best chance of getting a place.

## Financial Help

### Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

**Tax-Free Childcare** which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!  
This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
