Stars of the Week

This week we've been thinking about our manners and how to be polite to each other. Those who have demonstrated excellent manners towards each other, their teachers and the lunch staff have been recognised this week as our 'Stars of the Week' and are noted below. A big thank you to Dalton in Year 5 for showing excellent manners this week by holding back his class and letting me go through the door first when I was in a rush.

Rothko	Amanda	For being polite and having good manners.
Mondrian	Yasmin	For showing good manners to all the children and staff she meets around the school.
Matisse	Emily	Emily has had a fantastic outlook this week. She has managed to continue her learning remotely and return to school with great enthusiasm. Congratulations!
Picasso	Vansh	You are gentle, have excellent manners when you are given something in the classroom or in the dinner hall and are a shining example to the rest of the children in the class. Excellent work, Vansh.
Blake	Armando	Helpful and polite, Armando is really trying to remember his 'please' and 'thank you'. He is turning into a real 'Mr Manners'. Well done, Armando you have made us really proud this week.
Shonibare	Qura	Qura is polite and courteous. She never fails to employ her manners with adults and peers. This makes you a delight and pleasure to be around.
Riley	David	For showing excellent manners consistently.

Year 2

Matisse have been focused and cheerful this week. One of the biggest thrills this week has been starting to create our class blog. The children have been put in pairs and have each decided the theme of their blog post. We have learnt many useful shortcuts and tricks on how to use Chromebooks effectively. We are also excited to take some pictures next week and combine the different media using a range of software. Watch out as we will soon be posting them to our school blog on the William Hogarth app.

In our writing lessons this week we have been learning to create haikus. Our focus for our haikus has been fireworks. Lots of interesting vocabulary has been used this week including the words 'enchanted', 'glistening', and 'gracefully'. Children are using onomatopoeia, seasonal words and words to describe weather. Have a read of some of our haikus:

Pew in the night sky.

Shimmer went the fireworks.

Fireworks go whoosh!

Shooting stars go on the ground.

Fireworks in sight.

Zoom, POW, zap, bang, boom.

Red glistening fireworks.

Pretty bonfire.

In PE we have been learning a wide variety of jumps. High jumps, low jumps, sideways jumps, heavy jumps, light jumps, all jumps!

The William Hogarth Amazon Wish List

https://www.amazon.co.uk/hz/wishlist/ls/2IVG1DX99BDC7?ref=wl_share

With no 'normal' fundraising events such as the Christmas Fair this year, we really do appreciate any contribution big or small – that's why we have set up our Amazon Wish list.

This week we have received **£19.53** of resources.

As a school there are always many resources that we need or would like to purchase to give children full and exciting learning experiences.

In view of this, we have set up a Wish List on Amazon. If you would like to support us and purchase something that the school really needs, then this is a direct way that is a hassle free and quick to do.

You can either click on the link above, or alternatively, when you are shopping on Amazon, search for The William Hogarth Wish List and it will show you all items that we would like as a school. We may have multiple items of the same thing, so please only purchase what you can afford.

If you have had problems trying to order something and a message is displayed 'Marketplace items cannot be sent to Gift Registry addresses' you will need to add the school address in as a new address: The William Hogarth School, Duke Road, W4 2JR.

Thank you
