

The Small School With The Big Heart

We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential

Our minds are like our stomachs; they are whetted by the change of their food, and variety supplies both with fresh appetites

Plutarch, C.100 CE

Dear Families,

Today marks the first day of advent, when Christians look forward to the birth of Jesus. Although not everyone in our school community is Christian, it is useful to consider what the word advent may mean to each of us. In its simplest terms, advent can be interpreted as coming into place, coming into view, coming into being or arrival. Each of the four Sundays until Christmas have themes which, regardless of our individual religious beliefs, I hope will resonate with all members of our community:

Hope
Peace
Joy
Love

Over the coming weeks, I encourage you all to think about the advent of something which makes you hopeful, something which brings you peace, something to find joy in and finally, to surround yourself with your loved ones and take heart in their company.

The Eco Team were able to share some terrific news with Chiswick W4 today – we are officially NET ZERO in terms of our energy usage in school. Even in the depths of winter, we are currently generating and exporting more energy from our solar panels than we are using. This has had a huge impact on our carbon emissions. The latest information from the dashboards shows that we have reduced our carbon emissions by 11,372 kg – the equivalent of planting 688 trees.

Next week, Years 3 & 4 will temporarily relocate to the Art Room and the Cooking Rooms so that the FOWHS team are able to begin decorating and preparing for Friday's Christmas Fair. If you have a couple of hours spare where you would be able to offer some help, do please contact your year group rep – I know they would really appreciate it. Next week we are also looking forward to our school Christmas lunch and Christmas Jumper day in aid of Save The Children.

Following my recent meeting with Let's Leap, please keep your eyes open for a survey about your needs in terms of breakfast and after school care. Let's Leap are reporting a significant fall in take-up this year and we are keen to explore what is and isn't working for our school community, so that we can continue to meet your needs. Please share your thoughts and your feedback with us.

Not only is it the festive season, it is also the season for all things cold, sniffly and sneezy! If your child is well enough, please send them into school. If they are unwell with a high fever or chest infection for example, please ensure they get plenty of rest and fluids until they are well enough to return. Where children are in school, we assume that they are fit and well enough to participate in the entire national curriculum, including PE. PE lessons include swimming (a statutory requirement for primary pupils in maintained schools). If your child is not well enough to participate in PE, please

consider whether they are really well enough to be in school. Do ensure that you get a note from the doctor excusing them from PE for a specific time period where necessary.

Have a lovely weekend.

Miss Stockley

Stars of the week - WB 27.11.23

Ambitious

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Ubah	Ubah consistently shows ambition in her learning by asking good questions and can independently use Fred talk when writing. She has also shown impressive initiative by organising a dance for the upcoming nativity. She is an amazing team player! Well done Ubah!
Matisse	Arla	We have been creating our own picture books in year 2 as part of our writing for pleasure lessons and Arla has been working so creatively to create an original picture book. Her determination and desire to become not only an author but an illustrator has really been a pleasure to be a part of. Well done, Arla for having such ambition.
Picasso	Xandria	Xandria has been very ambitious this week. She did a great job presenting her show and tell and has been improving her communication skills.
Blake	Lucio	Lucio has shown great ambition in his work recently. He has improved so much in his writing since the beginning of the year. He has grown in confidence and his eagerness to become a better writer is paying off. He's also showing great ambition in his football to become a real star!
Shonibare	Tiannah	Tiannah has shown great dedication and ambition in her class work this week. Well done Tiannah!
Riley	Vansh	Vansh has been very ambitious this entire half-term! I have been so impressed with the way he has tried to better himself. He has shown great progress in his learning and has been completing extra homework to try and improve. Well done!

Riley Class Newsletter

We have been incredibly busy in Riley Class these last few weeks! We have taken part in a Wasps FC Rugby tournament, visited Wishmas and taken part in No Pens Day!

Year 5 and 6 were fortunate enough to be invited to a tag rugby tournament at Wasps Fc. We had not experienced much tag rugby previously and were initially quite nervous. However, after our first game we found our stride! We were able to eventually win two games! We received a medal for our excellent team spirit and contributions.

Some of Year 6 were fortunate enough to visit the Wishmas Experience! We had a great day full of magic and wonder. We had lunch by the London Eye and got to experience the Southbank!

We took part in No Pens Day this week, we spent a lot of time talking and working collaboratively. During maths we worked on volume, creating shapes with cubes and finding out the volume. We also brought in an item for 'Show and Tell'. The children took turns presenting their item to the class. It was so great to hear from so many children.

WOULD YOUR CHILD LIKE TO PLAY IN THEIR OWN ROCK BAND FROM SEPTEMBER?

ROCK STEADY™

Enrol online for September today at rocksteadymusicschool.com or call 0330 113 0330 (local rate) 8am-5pm, Mon-Fri

Dear Parent or Guardian,

Great news! Booking for next term is now open and there's nothing to pay until September. It's quick and easy to reserve your child's place in their very own rock and pop band by going to rocksteadymusicschool.com.

Already enrolled? Don't worry your child's place will automatically continue (unless they are moving schools). You can let us know new school details, change instrument preferences, and contact details in your Backstage account <https://backstage.rocksteadymusicschool.com/sign-in>

New to Rocksteady? Your child can enjoy learning to play music in their very own band through weekly in-school rock and pop band lessons. It's a great chance to play an instrument, develop life skills, have fun, build confidence, and boost their wellbeing. As they progress through the Rocksteady curriculum, they will collect up to 300 different instrument, musicianship, and performance skills along the way.

Here's what you need to know:

- Lessons are held during the school day. There's no experience necessary and all instruments are provided, so it's very inclusive and accessible.
- Your child can choose from **drums, vocals, keyboard, or electric guitar** (subject to availability). They'll join their band mates for a weekly 30-minute lesson, where together they'll learn to play their favourite songs.
- You can proudly watch as your child performs in their end of term concerts, showing you and their friends just how far they have come. You can also **follow their musical journey** with regular updates in your 'Backstage' account.
- Loved and trusted by thousands of schools, lessons are taught by experienced professional musicians who make music education fun. Your child's band leader will support and **inspire** them, while making sure they progress at their own pace.
- Your child will become either a **Mini Rocker** (Reception to Year 2), **Rock Hero** (Year 3 and Year 4) or a **Rock Icon** (Year 5 and Year 6).
- Rocksteady lessons are **hassle free** with a **money back guarantee** for the first month. What's more you can **cancel at any time**.

Places are offered on a first come, first served basis. Selecting different instrument options will also give you the best chance of getting a place.

For more details on availability and cost, visit rocksteadymusicschool.com, click 'sign-up', and search for your school or call **0330 113 0330**.

Best wishes,

“

My daughter loves her lessons and her band leader. It is the reason she dances into school on a Monday.

Catherine

”

“

My son's confidence has changed so much since being in his band. He now loves singing in front of people and even speaking to people when he used to be so shy.

Charlie

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.

Additional Information

Childhood Immunisation – Hounslow Public Health Team

Hounslow Public Health Team have created; Hounslow Vaccination High - the school that 'beat the bugs', a fun and friendly animation that explains in simple terms, why it is important for children to get immunised. The animation introduces the topic of herd immunity to share the importance of high overall uptake of vaccination to prevent infections spreading and explains the science behind vaccinations and their role in preventing diseases.

The video is designed to be accessible and educational, making it a valuable tool for both teachers and parents to understand the importance of immunisation.

National Grief Awareness Week

2nd – 8th December 2023

National Grief Awareness Week is about bringing people together and raising awareness of support that is available to those that are grieving.

Bereavement (losing someone important to us) affects everyone in different ways, and it's possible to experience any range of emotions.

After a loss, people may feel all, some or none of these emotions:

- Sadness & depression
- Shock or disbelief
- Numbness & denial
- Panic & confusion
- Anger or hostility
- Feeling overwhelmed
 - Relief
 - Mixed feelings

There is no right or wrong way to feel following a loss. Some people seek help immediately by showing their emotions and talking to people, others prefer to deal with things slowly, quietly or by themselves (www.mind.org)

Support Available:

www.halochildrensfoundation.org.uk Halo Children's Foundation is a charity supporting children and their families with bereavement. They are based at the HALO play cafe in The Chimes shopping Centre, Uxbridge UB8 1GB. Many of the children they support have lost a parent, but this can be a sibling, grandparent or any loved one that has sadly died, and they support children and young people up to 18 and their family.

www.winstonswish.org Winston's Wish provides specialist child bereavement support services across the UK. Winston's Wish provides emotional and practical bereavement support to children, young people and those who care for them. Their expert teams offer one off and ongoing bereavement support and also provide online resources, specialist publications and training for professionals.

www.thegoodgrieftrust.org The Good Grief Trust is run by the bereaved for the bereaved. It offers support and advice, as well as further information regarding where to find support.

www.thenbs.org/ The National Bereavement Service provides free practical and emotional assistance after a death.
