

*We are an inspiring learning community with high expectations, where all feel safe and happy and everybody has the opportunity to unlock and realise their potential*

### Message from the Headteacher

If you are anything like me, you will find yourself wondering how there are only two weeks left until the end of term! Time has simply flown.

It has been delightful this week to be able to take Year 3 and Year 2 on some local visits to Hogarth's House and around the Chiswick locale as part of their curriculum learning in Geography. Curriculum enrichment is one of the areas identified in our school development plan for 2021/22 and, over the coming year (Covid notwithstanding), we are looking to improve the range and quality of opportunities we provide to the children, making sure that we enhance the formal learning taking place in class. You will be unsurprised to learn that, once again, the children have been commended for their excellent behaviour. The Learning and Engagement manager at Hogarth's House emailed me to explicitly praise the children: ***"I wanted to thank you for visiting with your Year 2 and Year 3 classes this week. Please do let the children know that I and the Team were really impressed with how well behaved they were and their reading skills! Their enthusiasm really brightened our mornings."*** The children would definitely recommend a family visit to this wonderful local museum which gives a unique snapshot of Chiswick village in the Georgian era.

The staff and myself would like to offer our thanks to the parent community for the fund-raising they undertake on behalf of the children and the school. As a result, we have been able to place an order for both iPads and a mobile screen this week. Thank you all! Earlier this week, I met with the FOWHS committee to discuss the Christmas Fair itself and make plans to mitigate any risk that might arise from Covid. I am delighted to say that we have been able to pull together a very robust risk assessment which ensures space, ventilation and opportunities to socialise in a safe way. As a result, we were able to reach the decision that, provided no additional restrictions come into place, we will be able to hold a simplified Christmas Fair.

Enjoy your weekends.

Miss Stockley

### Year 4 Multiplication Table Check

In June, children in year 4 will be participating in the multiplication tables check..

The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics.

Please follow the link below for more information.

### Stars of the week

To all our stars: You are resilient when dealing with challenges.  
We are proud of you!

Class	Star(s) of the week	Description
Rothko	Romey Mae	It is lovely to see Romey Mae 'having a go' at all activities and always trying her best. Well done, Romey Mae!
Mondrian	Felix	Felix has been working hard to improve his handwriting and it is evident in his writing. He has shown great resilience and has made good progress to prove it!
Matisse	Ishana	Ishana is showing great progress as a result of her resilience. Ishana does not give up when things get tough, she asks for support and tries her hardest. Amazing Ishana!
Picasso	Kanila	Since arriving in our class, you have shown great resilience in learning to speak English and starting to communicate with your friends. Well Done Kanila
Blake	Eva	Eva has shown resilience ever since entering year 4. She has worked so hard in all areas of school this year and never gives up in the face of a challenge. Keep up your positive attitude!
Shonibare	Mahdi	Well done Mahdi, you never give up when you run into a challenge. Your resilience and perseverance is helping you to enhance your understanding in class.
Riley	Dalton	This week, I have been blown away by the positive attitude and resilience I have seen from Dalton. Dalton has turned a huge corner in managing his behaviour and remaining focussed on a task. It has been lovely to see Dalton remaining positive and not let things bring him down. Well done!

## Year 6

This week, Year 6 have been disco dancing their way into the top spot on Strictly Come Dancing. Our key focus was to show different levels in our routine as well as keeping up with counts, mirroring each other and travelling in different ways.

We also have been feeling the Christmas cheer and practicing our Christmas concert songs. We have taken on board some of the lessons learned in dance and applied that to our actions for the songs.

We have also written a newspaper report which tells the events of the Hogarth High Tea. The children acted as roving reports to bring you this breaking news

<h2>ANNUAL HOGARTH HIGH TEA 2021</h2>	
	<p><i>The real challenge for the students though. As soon as the children entered the school on Friday morning, they began. Things were starting to heat up! As the day progressed, cakes were baked, icing was piped and tarts were filled.</i></p> <p><i>The teachers and the school kitchen staff generously supported the children. The head chef of the school stated that the children were superb at baking.</i></p> <p><b><u>At your service</u></b> <i>Whilst the children were busy preparing, the school staff and year six were transforming the normal dining hall into a beautiful tearoom. It was decorated in colourful china, lace tablecloths and delicate cake stands. The tearoom was gorgeous.</i></p>
<p><i>A snapshot of the spread put on by the school.</i></p> <p><b><u>By Kotaro Arazeki</u></b> <i>On Friday 19th November, a truckload of treats filled Chiswick. The William Hogarth High Tea was held and in action to raise money for the charity Children in Need, which supports children living in poverty. The students of the school worked continuously for weeks to set up for the annual event and bake treats, previously put on hold by the pandemic.</i></p> <p><b><u>Preparation</u></b> <i>Before the success came the preparation. To host an event with over 80 parents, the children from Reception to Year 6 were all held responsible for designing, baking and serving their menu. Each Year Group baked a range of treats, either a sweet or savoury option.</i></p> <p><i>In part of preparation, Key Stage 1 went on an exciting trip to the local supermarket. However, Key Stage 2 did things slightly differently, by researching recipes online, using supermarket websites and retailers. The pupils also made sure that all the ingredients were all locally sourced and tolerant to religious beliefs. After all this effort, there was no mistaking that things would run smoothly!</i></p> <p><b><u>Bake Off</u></b> <i>Across the school, the children were busy, using all sorts of ingredients from flour to jam. This was the start of the bake off! On a Thursday afternoon, tart cases were carefully baked ready for the filling to be poured. The next day was</i></p>	<p><i>As time went on with a click, Year 1 and 2 began delivering their mouth watering sandwiches. As the event began, the parents were fed with hyper scones and cakes from Years 3 and 4. Finally, Years 5 and 6 delivered divine tarts, which arrived as the dessert option.</i></p> <p><i>One of the servers at the High Tea was Shuayab, who attends the William Hogarth school. He was astonished with the variety of food and absolutely everything else in the event. Shuayab recalled, "The High Tea was more than a success!"</i></p> <p><b><u>Charity Cheer</u></b> <i>The money raised by all of the children was donated to the Children in Need. The whole school raised over £200! Nobody could disagree that the event was a total success. Next year, the children are planning to bake a wider variation of treats. In a few months, there will be a Christmas fayre, selling goods and spreading fun, very similar to the High Tea. In the end, the Years 3 and 4's scones and cakes were voted the best treat. However, all the children should be proud of what they have achieved on a cold, cloudy Friday afternoon.</i></p>

## Britannica Magazine

William Hogarth Primary School is taking part in a new reading initiative that you and your child may be interested in.

Britannica Magazine, the oldest, most trust source of factual information across the word, is launching a new, exciting children's non-fiction magazine to engage children in reading, support child development and academic ability, and explore interests without screentime.

If you sign up to an annual subscription, you'll receive a free copy of the Britannica Children's Encyclopaedia (worth £25).

What's more, for every ten families who subscribe to the magazine under our school's name, we'll receive £100 (max. £1,000) to spend on non-fiction books for our classrooms and library, and support our school's reading initiatives for this year.

If you would like to take a look at the launch issue, you can view it here: [issuu.com/whatoearthbooks/docs/britannica\\_sample\\_issue\\_01\\_nov](https://www.issuu.com/whatoearthbooks/docs/britannica_sample_issue_01_nov)

We're really excited to be part of this initiative to get children reading and engaged in fun, exciting non-fiction stories, facts, jokes, and more.

Please consider subscribing online at [britannicamagazine.com](http://britannicamagazine.com). It's a perfect Christmas gift! And please remember to choose William Hogarth Primary School at the online checkout to make sure your subscription counts towards our free books!

# SHOP & SUPPORT

You can raise free donations to the school, without costing you a penny! Major retailers can donate to our school while you do your usual online shopping. The Friends of William Hogarth is registered as a charity in both AmazonSmile and EasyFundraising.

Here is how it works:

**1 Sign Up**  
Head to <https://www.easyfundraising.org.uk/causes/williamhogarthschool/>. Add to your browser to never miss an opportunity to donate.

**2. Shop**  
There are over 4,000 retailers on board who donate

**3. Support**  
After you've made your purchase, the retailer will make a donation to the school at no extra cost.

You shop. Amazon gives.

- Amazon donates 0.5% of the price of your purchases to the charitable organization of your choice.
- AmazonSmile is the same Amazon you know. Same products, same prices, same service.
- Support the school by starting your shopping at [smile.amazon.co.uk](https://smile.amazon.co.uk) (instead of Amazon.co.uk), search for **The William Hogarth School** and add it as your charity. Donations will be automatically made.

**GET WINTER READY!**

**ONE HOUNSLOW**

- Get your COVID jabs and booster if eligible
- Get your flu jab
- Test regularly, especially before mixing indoors or visiting loved ones
- Look after elderly neighbours and family

**Our Aim:** To offer telephone support, basic counselling and problem-solving to young people and their families to help prevent difficult periods from becoming a mental health crisis.

**Who We Are:** A multidisciplinary team of CAMHS professionals, who are familiar with local services and have a range of specialist knowledge, to help support and advise young people and their families.

**Who Can Call?**

**What We Do:**

- Provide immediate talking support to children, young people and their families who are distressed, by listening, offering a friendly, supportive voice and thinking through helpful options.
- To support children and young people to utilise their safety plan they have made with their community or other specialist care teams, in order to minimise any potential risk issues.
- Provide CAMHS expertise and advice in relation to a parent or carers child or young person, reminding them of any plans put in place by CAMHS.
- Provide feedback to mental health or other professionals involved, regarding children and young people who have received support from the helpline.
- You can speak with someone who works in West London and has knowledge of local services in the area who will do their best to assist you.
