Stars of the week - WB 04.12.23

Resilient

To all our stars: It is lovely to see your *happy* faces light up the school.

Class	Star(s) of the week	Description
Mondrian	Eloise	Eloise has shown immense resilience this week by making the right choices at the right time. In computing, she was able to paint a collage on her own and share positive feedback with her peers. Well done, Eloise and keep it up!
Matisse	Whole Class	This week it has been extremely difficult to pick just one child for the value 'resilience'. I have been extremely impressed with all of the children in Year 2 and just how resilient they are. This was evident at our skills festival on Wednesday. Every single child demonstrated resilience continuously as they tackled each skill and the progress they made from the beginning of the tournament to the end, made me extremely proud. Well done to all of you.
Picasso	Zara	Zara has shown fantastic resilience this week. She has supported everyone with our move to the art room! She has also been resilient when learning her times tables. Instead of giving up she has been trying to memorise more facts and improve her speed.
Blake	Jennifer	Jennifer has had an amazing week this week! She has been contributing in every lesson and she has stayed completely focused on her tasks. She's shown resilience in getting over tricky questions in maths by not giving up and this has shown in her recent work. She's also produced a wonderful opening to our current writing task.
Shonibare	Malak	Malak continues to impress me with her resilience week by week. She is not afraid to receive or to ask for feedback and she is always super quick to act on it. This week her commitment to improving her writing was lovely to see
Riley	Dominic	When I think about resilience, Dom is one of the first children that springs to mind. Dominic works so hard to achieve in his lessons and his perseverance is really paying off this year! His progress in his learning has been phenomenal and his attitude and maturity have been progressing positively alongside it. Well done Dominic for bringing that sporting captain leadership to the classroom.

NO Pens day – Mrs Luciani

This was very popular day and turned out to be a very positive experience for our children.

They enjoyed the opportunity to bring something special with them and to "Show and Tell" about that special something.

Even more importantly, teachers observed a really relaxed and enjoyable atmosphere in lessons as the children continued to learn, but not having a pressure to record.

Year 2 explored shapes and Year 3 went over time in their maths lesson as they were enjoying the learning so much!

Thank you to all of you who supported your child with bringing their Show and Tell object. We were so pleased with the response, we hope to do a No Pens Day regularly!

We raised £9.00 which will be donated to Speech and Language UK! Thank you for your donations!

Financial Help

Free Money for Childcare and After-School Clubs and Holiday Camps

It is a really difficult time at the moment with bills, rent and food prices all soaring. At The William Hogarth School, we are continually looking at ways to help out our community and try to alleviate some of the pressures families are facing.

Tax -Free Childcare which is a government scheme to help working families with the costs of childcare is something that could help you with current costs. It is not only for 15/30 hours free childcare for nursery aged children (if entitled) but also includes wrap around provision such as **breakfast and after-school care** as well as **after-school clubs** for children up to the age of 11.

Tax-Free Childcare is a bank account that is set up in your child's name and for every £8 you put in, the government will top up with another £2 - up to a maximum of £2000 a year. You must pay out to an organisation that is Ofsted registered - (schools and lots of sports clubs are) and then you pay for your provision through the scheme. If you earn under £100,000, it is likely that you are eligible to claim.

Check out the other eligibility criteria and sign up at <https://www.gov.uk/tax-free-childcare> - it's very easy!

This can therefore be used towards our after school clubs and with Let's Leap breakfast and after school care provision.
